Gordon,2015-12-11 This book takes an in depth look at numerous women whose lives are intimately revealed by God and recorded in the pages of His Word These women represent a variety of lives from paupers to royalty to hardworking women who tend sheep the likes of industrial women who operated a business such as Lydia to a handful of women who enjoy a leisurely paced life of luxury and pampering There were some women who remained barren while others were blessed with large families some ladies found themselves entwined in unpleasant relationships and marriages like Abigail and Leah or quite the opposite happily married like Jacob and Rachel or the infamous couple portrayed in Song of Solomon who enjoyed a godly marriage relationship Yes some biblical women possessed a personal relationship with God through faith placed in the finished work of Jesus Christ on the cross while others chose to suppress any knowledge of God desiring to reject His will for their life choosing instead to live according to their own self will Rebellious women mentioned in the Bible include woman such as Jezebel Potiphar s wife Queen Vashti and Herodias whose rebellious ways and disregard for being obedient left their mark on the lives of both men and women in biblical times and today Some women were erroneously elevated or noted worthy when measured against the loose moral standards of this world Other woman chose to stand out for the things of God in sharp contrast to the dark standards of this wicked world making a significant impact as they emanated the light of God into this dark world as they chose to live according to God s will and way for their life *The North American Student* ,1914

Female Puberty Jennifer E. Dietrich,2014-06-18 Female Puberty A Comprehensive Guide for Clinicians is a practical reference covering the full range of issues related to pubertal development Developed to answer pointed clinical questions and to provide a thorough review of the literature the book covers both the basics and the complexities of puberty encompassing psychosocial development to pubertal nuances in highly specialized populations Comprehensive in scope this title offers concepts that are concisely conveyed and chapters that complement each other well Complex subjects such as details of the hypothalamic pituitary ovarian axis are covered in a readily understandable manner and bullet points throughout the text serve as helpful reminders to the reader An invaluable contribution to the literature Female Puberty A Comprehensive Guide for Clinicians will be of great interest to all health providers concerned with female reproductive
