Treasures from an Old Book Lorin Bradbury Ph.D., 2025-05-21 This book is unique in that it is not another commentary on the book of Proverbs it is a practical application of each proverb written by Solomon and included in chapters 10 and 11 of the book of Proverbs These lessons were originally taught to the Bethel United Pentecostal Church in Bethel Alaska on Wednesday evenings between 2003 and 2008 In current form these lessons are excellent devotionals easily read in one setting Ever since I got my hands on a copy of *Treasures from an Old Book Ancient Wisdom for a Modern World Volume 1* I've been eagerly looking forward to receiving Volume 2 Once again Dr Lorin Bradbury provides valuable insights through these lessons that are beneficial to both teachers and students I highly recommend this excellent resource on the book of Proverbs C Anthony Ballester Pastor New Destiny Worship Center Clearwater Florida *Treasures from an Old Book Volume 2* The author draws from the rich treasure trove of Scripture and offers timeless wisdom from the book of Proverbs expertly unpacked to provide practical insights for everyday life Justin Henry Evangelist Youth Pastor Odessa Texas *Treasures from an Old Book Volume 2* Each lesson is a Gold Mine of knowledge I count it a high privilege to comment on Dr Lorin Bradbury's book presentation I want to express that only a consecrated life of Holiness like Dr Bradbury's reflects lessons that keep us mindful of the light that the Word of God produces for our families Solomon asked for divine wisdom and God allowed him to express God's wisdom for our lives Dr Bradbury is another conduit of God's wisdom for us today I have no doubt the Lord inspired this book Read this book and be blessed Ron Guidroz Evangelist Brenham Texas *Christianity Without the Cross* Thomas A. Fudge, 2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M Greer C H Tadon Wynn T Stairs Earl Jacques E P Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church **Catalog of Copyright Entries. Fowler,2022-01-28 Ephesians 3 20 This scripture is not simply saying God is able to bless us in a great way or with abundance of course He can and does It is telling us that God is able to exceed what we as mere humans consider to be abundance If we think what we have is an abundance then we have fallen short on our understanding of what God can do If we can imagine it then God can exceed it Therefore after the phrase exceeding abundantly comes the phrase above all that we ask or think God does not limit what He can do for us only we can do that according to the power that worketh in us In other words only our level of faith in God limits how far He exceeds our expectations Be clear abundance is not just about how much money or material possessions we have it s more about the peace we can experience amid our abundance Paperbound Books in Print 1995 Reed Reference Publishing,Reference Reed,1995-12 **Catalog of Copyright Entries, Third Series** Library of Congress.
