Words And Their Ways In English Speech Beacon Paperback:

Words and Their Ways in English Speech James Bradstreet Greenough, George Lyman Kittredge, 1965 Miss Thistlebottom's Hobgoblins Theodore M. Bernstein, 2024-03-26 Once you recall that Miss Thistlebottom was your elementary school teacher who laid down all manner of taboos concerning the use of language you will have an idea of what this book is about In no sense permissive or radical it topples the taboos that lack historical logical or grammatical basis It is a refreshing look at our living language the perfect companion to the author's indispensable work *The Careful Writer* Mr Bernstein writes four letters to Miss Thistlebottom that divide the book into four sections Witchcraft in Words Syntax Scarecrows Imps of Idioms and Spooks of Style Can there be more than two alternatives You'll find the answer in the Words section Can something grow smaller Ditto How about Split Infinitives is it proper to ever split one Is none invariably singular Take a look in the Syntax section Isn't it absurd to say if worst comes to worst rather than if worse comes to worst or to say head over heels rather than heels over head The section on idioms will enlighten you on these absurdities And then is a preposition a proper word to end a sentence with The section on Style will show you that some authoritarians don't know what they are talking about and don't know what rules are for The scores and scores of entries in this book are crisp lightly written and amply provided with illustrative material They are designed to help anyone who writes anything the student the reporter the copy editor the professional writer cast off the inhibitions and prohibitions that lack validity and cramp his writing style An Appendix includes some rare out of print sources of some of the bogies William Cullen Bryant's Index Expurgatorius for writers on the old New York Post James Gordon Bennett's Don't List for writers on the old New York Herald and Ambrose Bierce's blacklist Write It Right *The Grammar of Names* John Mathieson Anderson, 2007-01-04 This book is the first systematic account of the syntax and semantics of names Drawing on work in onomastics philosophy and linguistics John Anderson examines the distribution and subcategorization of names within a framework of syntactic categories and considers how the morphosyntactic behaviour of names connects to their semantic roles He argues that names occur in two basic circumstances one involving vocatives and their use in naming predications where they are not definite the other their use as arguments of predicators where they are definite This division is discussed in relation to English French Greek and Seri and a range of other languages Professor Anderson reveals that the semantic status of names including prototypicality is crucial to understanding their morphosyntax and role in derivational relationships He shows that semantically coherent subsets of names such as those referring to people and places are characterized by morphosyntactic properties which may vary from language to language His original and important investigation will appeal to scholars and advanced students of linguistics and philosophy **Word Origins ... and How We Know Them** Anatoly Liberman, 2009-04-13 Written in a witty charming conversational style *Word Origins* is the first book to offer a thorough investigation of the history and the science of etymology making this little known field accessible to everyone interested in the history of words Anatoly Liberman an

internationally acclaimed etymologist takes the reader by the hand and explains the many ways that English words can be made and the many ways in which etymologists try to unearth the origins of words Every chapter is packed with dozens of examples of proven word histories

Storied Words Jeff Jeske, 2004-03 From alphabet to zeugma Storied Words reveals the picturesque stories of 1 000 words that we use to talk about writing You will learn about The actual pictures behind our alphabet letters e g A the inverted head of an ox B a two chambered house Z a sword and shield The surprising common origin of grammar and glamour The literal meanings of our rhetorical devices The meaningless chatter in jargon s ancestry The picturesque origins of the words we use to talk about style The mock song of parody How and why the librarian of the great ancient library of Alexandria gave us the komma the kolon and the periodos Each chapter begins with an introductory essay followed by alphabetized discussions of individual words Chapter topics include the writer s tools patterns of arrangement style rhetorical choices grammar writers in academe and publishing Storied Words is chock full of quotations and anecdotes from writers throughout history it also contains an essay on the history of the English vocabulary

Word Ways ,1972

The Grammar of Names in Anglo-Saxon England Fran Colman, 2014-07-24 This book examines personal names including given and acquired or nick names and how they were used in Anglo Saxon England It discusses their etymologies semantics and grammatical behaviour and considers their evolving place in Anglo Saxon history and culture From that culture survive thousands of names on coins in manuscripts on stone and other inscriptions Names are important and their absence a stigma Grendel s parents have no names they may have particular functions in ritual and magic they mark individuals generally people but also beings with close human contact such as dogs cats birds and horses and they may provide indications of rank and gender Dr Colman explores the place of names within the structure of Old English their derivation formation and other linguistic behaviour and compares them with the products of other Germanic e g Present day German and non Germanic e g Ancient and Present day Greek naming systems Old English personal names typically followed the Germanic system of elements based on common words like leof adjective beloved and wulf noun wolf which give Leofa and Wulf and often combined as in Wulfraed r d noun advice counsel or as in Leofing with the diminutive suffix ing The author looks at the combinatorial and sequencing possibilities of these elements in name formation and assesses the extent to which in origin names may be selected to express qualities manifested by or expected in an individual She examines their different modes of inflection and the variable behaviour of names classified as masculine or feminine The results of her wide ranging investigation are provocative and stimulating

Words And Their Ways In English Speech Beacon Paperback Introduction

In today's digital age, the availability of Words And Their Ways In English Speech Beacon Paperback books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Words And Their Ways In English Speech Beacon Paperback books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Words And Their Ways In English Speech Beacon Paperback books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Words And Their Ways In English Speech Beacon Paperback versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Words And Their Ways In English Speech Beacon Paperback books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Words And Their Ways In English Speech Beacon Paperback books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Words And Their Ways In English Speech

Beacon Paperback books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Words And Their Ways In English Speech Beacon Paperback books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Words And Their Ways In English Speech Beacon Paperback books and manuals for download and embark on your journey of knowledge?

FAQs About Words And Their Ways In English Speech Beacon Paperback Books

1. Where can I buy Words And Their Ways In English Speech Beacon Paperback books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
