Word sorts to supplement Words Their Way

These word sorts all include a learning intention based on the word sort type.

The bottom row of words for each word sort are additional words- words I think students would use regularly or to extend their vocabulary. Blank tiles are also included.

How do I use this resource in my classroom?

On Monday, my students receive their word sort printed in A3, and they sort their word sort out together with students in their group. I feel sorting the words out for the first time with their peers promotes meaningful discussions and strengthens understandings of the word sort. Next, students copy down their words that were sorted correctly into their spelling workbooks and use this, and their own A4 copy of the word sort for word study activities. Students keep their own word sort in a plastic pocket - so they are easy accessible throughout the week.
