Shaw Jr., Rev. Jared Pingleton Psy.D., 2018-08-03 Ultimately we

belong to God He created us He loves us He provided the world where we live for our benefit He desires for us to be in relationship first and foremost with him and then with one another We are created in his image where if we truly examine ourselves we find that we cannot find any other way to discover our ultimate meaning and connectedness outside of being connected ultimately to God Sin separates That s why God hates sin He is a relational God and he hates sin because it separates us from him The study of psychology reveals to us the need in every human being to feel connected and significant revealing that without them the ability to thrive as an individual is hampered or may not occur at all Coupled with God s Word and the transforming power of the Holy Spirit we can experience some life giving truths about our need for belonging
