Words To Help You Be Positive Every Day:

Affirmations for Positive Thinking J.D. Rockefeller, 2015-12-21 Are your thoughts all positive and it gives you great physical mental and spiritual life or are these thoughts distracting you giving you negative consequences Based on studies through thinking positively and enjoying every moment chances are that you will improve your life and you will also arrive at health conscious decisions in the right path and direction Specifically based on the findings gathered having positive thoughts are really beneficial especially for those who are suffering from diseases and for those who are thriving to overcome their everyday challenges Affirmations can greatly help in purifying our thoughts as well as in restructuring the dynamism of our brain in order to effectively start thinking that everything is possible Affirmation means strengthen or to make steady This means that affirmations really do contribute in strengthening our lives and helping us believe on the possible things that might happen because of the actions we want to manifest People are easily empowered with the reassurance that their wishful words will come in really once they have verbally affirmed their ambitions and dreams Affirmations are proven effective in terms of self improvement due to its ability to rewire human brains The same with exercise it pushes the human brain to form new cluster of positive thought neurons in **Power in the Spoken Word!** Ezekiel Dayo Adetunji, 2011-01-25 Do we as human beings truly understand the power of words we are using Do we stop to think about effect of the words we use when we engage in a conversation be it social or in confrontation Do we analyze how the words we use can create an image for ourselves Astonish of good luck marvelous of joy incredible success and fabulous of well being Reading this book will completely change your lifestyles and fetch you compliments from all those around you which will ring in your ears like a gentle melody Power in the spoken word is epitome of generosity with power of positive thinking to give you what is positive thinking What might not work for others because of negative thought might work for you and change your life Using words could be beautiful for a positive effect and could be wonderful for a negative result so before you speak think properly about what you want to say and what effect it could have on others If you think you know how to speak remember that someone knows how to hear you better than what you think You will be inundated with luck happiness richness of mind success love good luck and fantastic health simply because you are positive The assertiveness of words that come out from your mouth will be a blessing to yourself to your neighbors colleagues and your children When you say good words and speak blessings into your future this might actually bring about good However if you have delusion that someone is cursing you and you believe it even when there is no cause to believe it you might actually meet someone and start fighting just for no reason So whatever you believe will surely come to pass when you don't expect it This book will suggest to you how you should be positive to yourself How to be good not be a Father Christmas To be a good eater not be a glutton To be generous not be selfish To be sexually motivated not be manic To be a friend not an enemy To have a woman not be a womanizer To be straightforward but not be rude If you are dreaming of being promoted at your workplace and when you get to your office

and discover there is no news of promotion that is to tell you that you need to put more effort at your workplace change your goodness to betterment and betterment to best At the end by working towards the promotion your dream of being promoted will surely come true This book is all about positive thinking and describes ways in which you will get to where you are going It will suggest to you where you should go and how to get there work harder keep on pressing and not to relent your effort By this you will achieve a goal and reach where you are intending to go in style Ezekiel Dayo Adetunji **Daily Guidance from God** Trevor A. Winchell, 2018-09-11 And you shall know the truth and the truth shall make you free John 8 32 NKJV All the devotional writings that are written in this book were given to me from God to write for every person who needs to read them I truly believe with all my heart that every single word that God gave me to write was given to me to help inspire direct guide lead and strengthen people who are facing difficult situations and to serve a specific purpose in their life In my devotional writings I might say things that a lot of people don't agree with or I might say a lot of things that people don't like But the fact of the matter is that every single word I write is given to me by God not because people want to hear it but because people need to hear it The truth of God's Word is undeniable in every way and only the truth of God's Word will set you free in the end So those who want everything sugarcoated to their satisfaction and according to their standards will keep them in denying the truth As most of you know I don't sugarcoat anything and I don't tell people what they want to hear I tell people what they need to hear based on the words God has given me Is it easy to tell people what they don't want to hear Of course not but when God commands me to write the words he gives me I must obey him regardless if people are going to like it or not The truth and only the truth of God's words will set you free in the end The devotionals that I write are 70 percent scripture context 30 percent practical context and 100 percent inspired by God They are easy to relate to because a lot of people are often dealing with tough circumstances or going through difficult situations It's often difficult to interpret and understand the actual meaning of a particular Bible verse Each devotional that I write includes a Bible verse and a prayer The Bible verse directly correlates with the devotional so that people can relate to the Bible verse and understand it The prayer also directly relates to the devotional so that people can say the prayer and ask God for help I believe that Daily Guidance from God is a great tool that will help people better understand real life issues they are facing and how God can help them The devotional will help guide people in a positive and biblical way to seek God The purpose of Daily Guidance from God is to allow his guidance and direction to help people through their difficult circumstances and situations and to lead them down the correct path When you allow God to be the center of your life amazing things will happen that you will not even be able to imagine Everyone has good days and bad days but if you look to God for guidance in every situation you face he will help you and guide you to make the right choices and decisions I invite you to use this devotional to start your day with the positive words from God I promise that when you read this devotional when you wake up every day of your life will be brighter and your attitude will be more positive My writings each day include three parts a Bible verse a devotional and a

prayer Bind them on your fingers Write them on the tablet of your heart Proverbs 7 3 NKJV *God's 100% Positive Word and Truth* Mykell Kendall,2018-10-26 Are you truly sick and tired of hearing bad news all around you every day On the television in newspapers radio sports movies politics and yes even church we unwillingly become immersed in a heavy cloud of negativity Believe it or not you can find plenty of good out there amidst the bad if you allow your heart to listen and accept glad tidings from God Be willing to accept the beauty that is you You will be ready to hear God s quiet voice leading you to all the positives and prosperity that life has to offer which is your birthright Uplifting and honest God s Hundred Percent Positive Word and Truth can help lead you away from the cloud as you realize how precious you are to God *Think Positive Thoughts Every Day* Patricia Wayant,2001-08 May each new day bring a feeling of excitement joy and a wonderful sense of expectation Expect the best and you ll get it Regina Hill What you read here could change your outlook on life That s because nestled within these pages are valuable words of optimism and insight that will have you looking on the bright side of whatever comes your way THINK POSITIVE THOUGHTS EVERY DAY is the first step in a journey toward a lifetime of happiness It s a gentle reminder that good things are possible when you have a positive attitude and allow life s simple joys into your life Carefully chosen for their introspection and honesty the works included here invite you to spend less time thinking of the problems in your life and more time dreaming of the possibilities They speak of embracing what is truly important in life and letting go of the rest Selections from this inspiring collection can be read every day as a source of daily encouragement or any time when it might help to remember to THINK POSITIVE THOUGHTS EVERY DAY *Every Day's a Good Day* Terry Gordon,2016-01-08 For most of his life author Terry Gordon found expressing his thoughts and feelings almost impossible It could have been because of a lack of self confidence or simply because no one was there to listen This was where author Terry Gordon found himself after his mother died when he was twelve In his book Every Days a Good Day Gordon shares his struggle to survive When a note Gordon wrote expressing that he could no longer cope in the world anymore flew from his shirt pocket just as a gentle breeze passed over he took it as a sign that prevented him from stepping in front of a train He was only thirteen Life doesn't automatically get better when you write things down but it's a way to get a grasp on those events that trigger your depression and even rage To receive love respect and understanding you must first give the same This memoir tells how one person overcame a life of adversity and despair to become better person Despite what seems like hopelessness there is a reason to go on *My "Me-ness" Journey* Pamela A.
