Books in Print Supplement ,2002 **American Book Publishing Record** ,2007 **Marriage, Sexuality, and Gender** Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants

Crisis Intervention Ethics Casebook Rick A. Myer, Julia L. Whisenhunt, Richard K. James, 2021-11-08 The fast paced unpredictable and high risk nature of crisis intervention creates critical ethical dilemmas that can result in personal harm and professional liability if not handled appropriately Applying a traditional model of ethical decision making is often impractical when time is limited and decisions must be made quickly This counseling tool kit offers a new operational

approach for integrating ethical decision making in crisis intervention Following detailed discussions of crisis intervention within the framework of relational cultural theory a triage assessment system and an original ethical decision making protocol nine diverse case studies in hospital telebehavioral health school clinical and public settings are presented Students and practitioners will build a repertoire of ethical decision making skills to de escalate crisis incidents and provide an appropriate level of support to individuals experiencing crisis Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to publications@counseling.org

Forthcoming Books Rose Arny, 2003-04 *America's Frozen Neighborhoods* Robert C. Ellickson, 2022-10-18 This book examines local zoning policies and suggests reforms that states and the federal government might adopt to counter the negative effects of exclusionary zoning In this book Robert Ellickson asserts that local zoning policies are the most consequential regulatory program in the United States Many localities have created barriers to the development of less costly forms of housing Numerous economists have found that current zoning practices inflict major damage on the national economy Using Silicon Valley the Greater New Haven area and the northwestern portion of Greater Austin as case studies Ellickson shows in unprecedented detail how the zoning system works and recommends steps for its reform Zoning regulations Ellickson demonstrates are hard to dislodge once localities have enacted them He develops metrics to measure the existence and costs of exclusionary zoning and suggests reforms that states and the federal government could undertake to counter the detrimental effects of local policies These include the cartelization of housing markets and the aggravation of racial and class segregation
