Manual Training Magazine ,1919 *Training Manual [2000-].* United States. War Department, *Commercial Diver
 Training Manual, 7th Edition* Hal Lomax,2022-04-01 The 7th Edition of the Commercial Diver Training Manual continues to
 fill the gap between learning through field experience and learning through entry level commercial diver training Our
 commercial diving students and graduates have been well served since 2016 by the author s meticulous and thorough
 approach to making vast field experiences and safety come alive in the 6 th Edition and once again in this revised 7th edition
 It continues to be a leading textbook in our training due to its technical accuracy current content photos and illustrations
 Safety and efficiency are pinnacle traits that any successful working diver must learn in their training and constantly apply in
 the field Safety is not a simply a rule book it is a state of mind Hal Lomax s approach to this and sharing his knowledge with
 all levels of divers has made our industry safer and advanced it entirely At the very core of commercial diver training are two
 essential objectives Going up and down in the water column safely and performing useful and effective work underwater This
 textbook continues to provide both objectives into a current and well written resource for the entire industry It remains a
 must for anyone s library involved in commercial diving Don Barthelmess Professor Emeritus Santa Barbara City College
