The Presence of the Dead on the Spiritual Path Rudolf Steiner, 1990-06 Who can penetrate space or encounter the stream of time Only those who are not fooled into believing that freedom from sensory conditions is attainable by moving beyond a space and a time considered real because of their measurability The reality of time and space is immeasurable It cannot be attained by overcoming the given forms of measurement but rather by overcoming measurement itself Before this can occur we must know how and why measurement arises we must know what the spirit wants by containing within measurement the substance of its eternal telling of tales whose truth alone justifies measurement the transitory vision of what space and time are in their most subtle forms Massimo Scaligero This masterly book by Massimo Scaligero author of The Light La Luce An Introduction to Creative Imagination teaches us how to enter and recognize the spiritual reality behind and within what we objectify as space and time Those who read The Secrets of Space and Time with meditative effort will be well rewarded with profound insights about the true nature of the world around us The book is a translation from Italian of Segreti dello spazio e del tempo Libreria Tilopa Rome 1963

The Archangels Lavar Cephus, 2022-08-13 From the beauty of the Lord God we have fourteen archangels who also can be known as the Watchers Archangel Michael is the head of the archangel militia in command of God army and his celestial soldiers who clash against the evil Stories of angels and archangels are a part of our lives whether we realize it or not Over 80 percent of the world s population believes in angels archangels cherubim and heavily ascended masters Most people only know about the seven archangels but in this book we re going to tell you about the fourteen archangels of the angelic realm The term archangel came directly from or is related to the Abrahamic religions The word archangel is derived from a Greek term which means chief angels Archangels are an extension of love help protection and assistance from God the Creator the source the universe himself to personify his infinite expansive stellar majesty power love and grace All of the archangels have special powers and gifts and abilities They are all healers They resonate at a very high vibration frequency and energy In terms of rank archangels are at the highest rank among all the angels for they are known to be the closest of the angels next to God Archangels not only watch over us they also watch over other angels as well as the spiritual and other areas of the universal realms like our very own real life superheroes In the canonical Bible which the Protestants and the Catholics use and in the Quran as well there were two archangel named Michael and Gabriel In the book of Enoch there were seven archangels This was before the book of Enoch was removed from the Bible scriptures The other five of the first seven are Raphael Azrael Chamuel Ariel and Jophiel In this book I will tell you about the first seven archangels and also the other seven the Dominion archangels and their powers and abilities and how to ask for help guidance protection and assistance whenever you need it It
