Williamson, 2012-03-26 High throughputomics projects such as genome sequencing structural genomics and proteomics mean that there is no shortage of information on proteins But the more information we have the harder it is to make sense of it to know where to start and to identify the important results This book is a clear up to date and authoritative account of

How Drugs Work Hugh McGavock, 2017-10-19 This fourth edition of How Drugs Work equips readers with a set of clear concepts for matching the pharmacology to the diagnosis and has been completely revised and updated to reflect the latest knowledge and terminology Rather than providing overwhelmingly comprehensive information it condenses the aspects of pharmacology directly relevant to everyday practice into a concise accessible volume including material on the half life of drugs patient non compliance and severe chronic inflammation Mobile Virtual Work J. H. Erik Andriessen, Matti

Vartiainen, 2005-09-23 Dear Reader This is a book about mobile virtual work It aims at clarifying the basic concepts and showing present practices and future challenges The roots of the book are in the collaboration of few European practitioners and searchers who met each other under the umbrella of the Swedish SALTSA programme see next page in January 2002 in

Stockholm The group was first called ICT Mobility and Work Organisation but redefined itself quickly as Mobile Virtual Cooperative Work group The change of the name reflects the development of reasoning in the group We could not find much material on mobile work certainly not systematic studies though a growing interest in mobile technologies and services could be found Practices of telework and virtual organizations were better known but we were convinced that the combination with mobile work was so thing different and new Our main target became to understand what it was all about The next step was an expert meeting in October 2004 at R n s Castle again in Sweden A wider group of experts was invited to present their views on mobile virtual work and ideas about book chapters from different perspectives of working life Some of the expertise could be found through the network of the AMI Work family created by the New Working En ronments unit of the European Commission s Information Society Dir torate General Also close collaboration was developed with the related MOSAIC program
