Hodges, 2016-10-04 A Concise Survey of Music Philosophy helps music students choose a philosophy that will guide them throughout their careers The book is divided into three sections central issues that any music philosophy ought to consider e.g beauty emotion and aesthetics secondly significant philosophical positions exploring what major thinkers have had to say on the subject and finally opportunities for students to consider the ramifications of these ideas for themselves

Throughout the book students are encouraged to make choices that will inform a philosophy of music and music education with which they are most comfortable to align Frequently music philosophy courses are taught in such a way that the teacher as well as the textbook used promotes a particular viewpoint A Concise Survey of Music Philosophy presents the most current prevalent philosophies for consideration Students think through different issues and consider practical applications There are numerous musical examples each with links from the author s home website to online video performances Examples are largely from the Western classical canon but also jazz popular and world music styles In the last two chapters students apply their views to practical situations and learn the differences between philosophy and advocacy Hodges has written an excellent resource for those wanting a short but meaningful introduction to the major concepts in music philosophy Applicable to a number of courses in the music curriculum this much needed book is both accessible and flexible containing musical examples tables and diagrams and additional readings that make it particularly useful for a student s general introduction to the topic I especially like the emphasis on the personal development of a philosophical position which makes the material especially meaningful for the student of music Peter R Webster Scholar in Residence Thornton School of Music University of Southern California USA [The Single Dads Club](#) Kendall Ryan, 2023-09-21 Unexpectedly sweet and blazing hot steam now in one boxed set Enjoy four full length standalone novels featuring single dads from New York Times bestselling author Kendall Ryan in one complete volume The Dare As an ER nurse I ve seen a lot of things but this might take the cake Because the charming hottie packing a whole lotta somethin somethin beneath his hospital gown He s all kinds of naughty trouble And I have time for exactly none of it I didn t expect to see Cade again never expected the guy I treated in my ER would turn out to be the sweet single dad I m now secretly lusty over Complicated doesn t even begin to cover it Only for Tonight He s bossy moody and overprotective He s also a pro athlete who needs to focus on winning games and staying out of the headlines I m fiercely independent and need a man like I need a second period each month So when our worlds collide I never expected him to be the one to jump in and save me Especially not when my roommate disappears leaving me with her baby I m clueless about babies and it shows Good thing Alexei isn t With six nieces and nephews and an apparent hero complex the dude is both sexy and more than capable It s a combination that makes it easy to forget we re just playing house Penthouse Prince Lexington Dane was my brother s best friend growing up We did everything together He taught me how to throw a punch how to change a tire and he taught me how to kiss I fell hard and fast and gave him all my firsts I promised I d wait for him But I m done waiting because he went off to college and never came back He took his fancy business degree and moved to New York City where he promptly became a real estate mogul turning every penthouse and apartment project he touched into gold It s been ten years and now he s back and needs a favor someone to watch his little girl That s right the cocky penthouse prince and heartbreaker extraordinaire Lexington is back with an adorable two year old daughter Guess who he wants to watch her I ve never been able to say no to him I might agree to be the nanny for his
