## **What The Stones Remember A Life Rediscovered:**

**What the Stones Remember** Patrick Lane, 2006-12-12 In this exquisitely written memoir poet Patrick Lane describes his raw and tender emergence at age sixty from a lifetime of alcohol and drug addiction. He spent the first year of his sobriety close to home tending his garden where he cast his mind back over his life searching for the memories he'd tried to drown in vodka. Lane has gardened for as long as he can remember and his garden's life has become inseparable from his own. A new bloom on a plant, a skirmish among the birds, the way a tree bends in the wind and the slow measured change of seasons invariably bring to his mind an episode from his eventful past. *What the Stones Remember* is the emerging chronicle of Lane's attempt to face those memories as well as his new self to rediscover his life. In this powerful and beautifully written book Lane offers readers an unflinching and unsentimental account of coming to one's senses in the presence of nature.

*The Mindfulness Workbook for Addiction* Rebecca E. Williams, Julie S. Kraft, 2012-08-01 Most addictive behavior is rooted in some type of loss be it the death of a loved one coming to terms with limitations set by chronic health problems or the end of a relationship. By turning to drugs and alcohol people who have suffered a loss can numb their grief. In the process they postpone their healing and can drive themselves further into addiction. *The Mindfulness Workbook for Addiction* offers readers an effective program for working through their addiction and grief with cognitive behavior therapy, CBT, dialectical behavior therapy, DBT, and acceptance and commitment therapy, ACT. Created by a psychologist who works for the Department of Veterans Affairs and a marriage and family therapist who works for Sharp Mesa Vista Hospital, this mindfulness training workbook is effective for treating the emotion dysregulation, stress, depression, and grief that lie at the heart of addiction. No matter the loss, the mindfulness skills in this workbook help readers process their grief, determine the function their addiction is serving, and replace the addiction with healthy coping behaviors.
