What You Took From Me Loving An Opportunist:

Lovesong Geraldine McCaughrean, 2019-01-01 In *Lovesong* three time Whitbread Prize winner Geraldine McCaughrean has written what Philippa Gregory called Probably the best historical novel I have ever read At the centre of the story is a talented troubadour Peter Oriole and his daughter Princess Ouallada The opening sections of the book trace Oriole's journey from France to the Holy Land in the service of two very different crusader Knights one a saintly aesthete the other a cynical opportunist The twelfth century was a time when men and women were inventing or perhaps reinventing the nature of love itself and it was the troubadour's task to express that love in song their fate either glory or scandalous ruin What does love mean to Oriole As he discovers both romance and passion in his own life we are introduced to an extraordinary cast of characters rogues mountebanks villains heroes damsels both in and out of distress soldiers and holy men all working out their own destiny each compellingly and convincingly drawn This is the story of one man's wreck on the sea of passion and his daughter's stormy voyage in his wake With strikingly detailed imagery and characterisation that is totally convincing and compassionate Geraldine McCaughrean has written a novel of ideas which is also storytelling at full pelt McCaughrean is well on her way to becoming one of the few great novelists to adorn our age MAIL ON SUNDAY *Where Were You Before The Tree of Life? Volume 6* Peter R. Farley, 2011-04-04 Volume 6 of 9 These books are the first to fully map out the history of alien interaction with the Earth past present and into the near future Extending the work of noted researchers such as Erich Von Daniken and Zecharia Sitchin the book series goal is to show its readers the extensive repercussions this interaction has had on life on this planet especially its formative role in the global conspiracy known as the New World Order **I'm Done** Jessica Andrews, 2021-10-20 Diamond Jackson has always been told she is a diamond in the rough but she never felt that way Oftentimes she felt unworthy of such a beautiful name It came with expectations that she just couldn't meet Diamond never wanted to play the victim role but she is more than comfortable playing the invisible role Diamond never realized how much she longed for acceptance friendship and love Like many young women she knew she had a deep longing for real love but Diamond didn't understand that there is really a thin line between love and hate Reflecting on her past Diamond discovers how broken she really is and leans on her faith in God to mend her brokenness This too shall pass she would often remind herself but the passing just felt like torture and defeat Nonetheless a little part of Diamond believed the pressures of life would create a beautiful diamond in the rough She had to believe Faith Take Heed of Loving Dulcie Sancier, 1938 Cosmopolitan, 1903 *The Saturday Evening Post*, 1925 **The Hop** Diana Clarke, 2022-06-07 A fresh ode to sisterhood and sexual agency that crackles with verve and wit I couldn't put it down Gabriela Garcia author of the New York Times bestseller and Good Morning America Pick Of Women and Salt Clarke refuses to turn this story into a morality play and her newly rich and famous protagonist doesn't turn away from sex work Instead she uses her new freedom to imagine what sex work might look like if its practitioners were truly empowered and autonomous Like Clarke's debut this is

technically adventurous politically relevant and emotionally engaging Kirkus Starred Review A page turning feminist novel that tells the story of a poor scrappy girl from rural New Zealand who grows reluctantly into a sex icon the face of a movement and a mother all at the same time Kate Burns grows up wanting attention from her Ma but her Ma wants only money and Kate learns how to get both She and her childhood friend Lacey run kissing lessons for cash in the janitor s closet of Fenbrook High and just like that they find themselves in the sex work industry From there they go on to work at The Purple Panther a strip club in Auckland When Ma dies of cancer Kate discovers that the men her Ma was always inviting over to their home were in fact clients Ma was no stranger to sex work either Following in Ma s footsteps Kate heads to Nevada where she picks up a job at America s most prestigious brothel The Hop In her new life as a Bunny Kate searches for an identity she can perform the other Bunnies include a goth a housewife a cheerleader a rebel not to mention Betty a trans beauty queen Mia a Japanese cosplayer and Rain a dominatrix Kate becomes Lady Lane The girls at The Hop are more fantasy than fact and performance is always more perfect than the real Kate is a natural and quickly rises through the ranks to become the bestselling Bunny and the owner Daddy s favorite But when ten street hookers are killed in a nearby city just bodies with no names Lady joins her sister Bunnies in mourning and begins to see things in a new light Lady s success breeds scandal and unwanted fame deeply affecting her transforming her life and The Hop forever Diana Clarke s provocative second novel is subversive in the very best way an unforgettable work of fiction with a radical message about women that couldn t be more important
