When Skies Have Fallen:

The Great Village Bun Fight Debbie McGowan, 2018-07-31 All s fair in love and war But not in baking Do what you do best So said Henry s grandad as he handed Henry a small red foil wrapped box that gave a metallic rattle when he shook it Inside a large bunch of mismatched keys held together by a ring the size of a bangle The keys to the bakery Henry s bakery A humorous story about baking and village life as you might expect Also includes a rockin reverend cakes and bunting Part of Seasons of Love Anthology Chain of Secrets Debbie McGowan, 2023-02-07 The story of George and Josh two little boys who became best friends two adolescents who stayed best friends two young adults with secrets that might change their friendship forever Josh and George have always shared the special bond of friendship From days in primary school to holidays spent riding their bikes along the canal theirs is a promise to remain best friends forever But can that promise withstand the trials of adolescence and the changes in their feelings towards each other NOTE this is a fully stand alone story but it contains significant spoilers for anyone reading the Hiding Behind The Couch series and should be read after The Harder They Fall season three In The Stars Part II: Cancer-Sagittarius Debbie McGowan, 2014-06-01 You must learn to look beyond the evidence It shows only what you wish to believe is real not what you really wish to believe Doubt that the sun doth move Doubt truth to be a liar But never doubt I love Hamlet Shakespeare The Circle is in flux It s been a hectic six months and as the friends head into the heat of summer more trials await that will truly test the bonds of friendship For whilst a circle may contract and may even at times constrict it can also expand accommodate embrace And it is always whole Eternal Set over a period of six months July December In The Stars Part II continues to explore the day to day lives of The Circle nine friends from high school now in their late thirties following them through a year of celebration loss illness and life changing decisions In The Stars Part II is Season Five in the Hiding Behind The Couch Series This book is also available as six separate episodes The story follows chronologically from In The Stars Part I Season Four and Breaking Waves Novella It continues in A Midnight Clear Novella Red Hot Christmas Novella and Two By Two Season Six For those readers unfamiliar with the series In The Stars Part I re introduces the main characters so you could pick it up from there and perhaps catch up with the previous books later WARNING this story contains intimate moderately explicit scenes between consenting opposite sex F M adults What readers say about the Hiding Behind The Couch Series The remarkable characterisation in these novels is what makes them for me This story reminds me of my favorite movies about friendship and relationships Few authors have explored the depths of longtime friends within a group or circle the way Debbie McGowan has The way the author deals with the complexities and issues in these books is delicate and compassionate but with a matter of fact grit that smacks of reality Not My Christmas Debbie McGowan, 2019-12-25 Christmas at the Davenports has never been a relaxing affair so when the opportunity for a little alone time with a beautiful available woman comes Charlie Davenport s way she takes it breaking several family traditions and risking the wrath of her siblings But it ll be worth it right And she can always make it up to them

later or next Christmas For readers of the Hiding Behind The Couch series Not My Christmas comes several months after Reunions Season Seven and immediately after The Advent of Reason **The WAG and The Scoundrel** Debbie McGowan,2016-09-22 Three years after the death of his civil partner DCI Gray Fisher is finally ready to make the break from the police For too long he has used his work as a means of survival now he s looking forward to a nice quiet life in academia Investment banker Will Richards is a walking talking contradiction With his love of surfing and his farmhouse menagerie of rescue animals he s far removed from Gray s idea of the perfect man but that s not a problem Gray wants nothing more than friendship and Will seems happy to accept that After all with his mum s illness and resigning from his job he s got enough on his plate already Assuming of course he s telling the truth When former colleague Rob Simpson Stone asks for Gray s help with a case of a destitute banker who faked his own death Gray is understandably reluctant to get involved until Rob reveals the identity of one of the suspects **Goth of Christmas Past** Debbie McGowan,2018-10-31 Black hair and band hoodies had a lot to answer for Eleven years ago when Gothboy mooched into their business studies class for the very first time Krissi had taken one look at him and thought What a freak He s so cool Now in their mid twenties Krissi Johansson and Jay Meyer are successful businesspeople and still best friends But while one is moving forward with their life the other is sliding ever backwards revisiting the past and wallowing in regret Between career commitments unresolved family matters and friends springing unwelcome surprises Krissi and Jay have more than enough drama to contend with and not all of their own making On top of all that it s Christmas Yay This is a stand alone story the first in Front of House featuring the next generation of Hiding Behind The Couch characters For those reading the main series this story follows more or less chronologically from Reunions Season Seven **A Midnight Clear** Debbie McGowan,2014-12-01 A story from Boughs of Evergreen A Holiday Anthology A MIDNIGHT CLEAR by DEBBIE MCGOWAN It s a cold desperate December when a young girl flees home in search of food shelter and the real Santa Claus Stranded in George and Josh s hometown she discovers that the spirit of Christmas can be found in the most unexpected of places Includes the story of The Little Match Girl by Hans Christian Andersen ABOUT BOUGHS OF EVERGREEN Boughs of Evergreen is a two volume collection of short stories celebrating the holiday season in all its diversity Penned by authors from the UK the USA Scandinavia and Eastern Europe these are tales of the young and the not so young from many different walks of life Themes of family friendship and romance take readers on a journey through some of the major holidays both past and present including Thanksgiving Advent St Lucia Day Hanukkah Eid Saturnalia Winter Solstice Yule Christmas and New Year In each we find at the very least hope and often love peace and happiness Proceeds from sales of this anthology will be donated to The Trevor Project The Trevor Project is the leading national organization USA providing crisis intervention and suicide prevention services to lesbian gay bisexual transgender and questioning LGBTQ young people ages 13 24 **A Snowy Ball** Debbie McGowan,2017-12-19 London December 1981 A White Christmas is on the cards but as the temperature drops the pressure on Arty mounts He s got far too much planned in

the coming days to have it all buried under a mountain of snow Between his retirement surprise for Jim and the Christmas party at the dance school Arty might need to curtail his daydreaming a little to ensure everything comes together Still if all else fails at least he and Jim have each other to keep them warm through the impending blizzard Note this story follows on from When Skies Have Fallen and as such contains spoilers for anyone who has not read the novel When Skies Have Fallen Debbie McGowan,2015-07-08 Winner of the 28th Lambda Literary Award Gay Romance For many in war torn 1944 love blossoms in the dance hall and airman Arty Clarke is no exception He s a thinker and a dreamer however it s not the beautiful talented dancer in his arms his best friend Jean who inspires his dreams For when his gaze meets that of Technical Sergeant Jim Johnson Arty dares to imagine a different dance Their love is forbidden by both the armed forces and the law but with Jean s cunning and support Arty and Jim try to bridge the distance between them and find true love despite the danger and a life threatening disaster that could destroy Arty s dreams for good Can the pair stand strong together no matter how many skies have fallen Part of Love is an Open Road Don t Read in the Closet 2015 MM Romance Group **Seasons of Love** Deven Balsam,Neptune Flowers,Ofelia Gränd,Paul Iasevoli,A.M.
