R Bogdan

When All Balls Drop The Upside Of Losing Everything:

When All Balls Drop: The Upside of Losing Everything Heidi Siefkas, 2014-08-06 Heidi Siefkas was a happily married globetrotting professional who seemingly had it all until a tree limb in New York's Hudson River Valley struck her down breaking her neck and leaving her unconscious. Suddenly life as she knew it stopped. She lost her independence. She lost her career. She watched her marriage disintegrate as she confronted a trail of devastating lies about her husband's double life. She had lost all that mattered but she was a survivor. She fought to restore her health, repair her broken heart, and rebuild herself. Along the way, she gained clarity about her core values, ultimately coming to a deeper understanding of what it means to have it all. Through down to earth short vignettes, *When All Balls Drop* shows us how it's possible to look up in spite of pain, deceit, and loss. Heidi's memoir, rich with hope and humor, inspires anyone who's had to confront tragedy and reassess their life in the wake of life-altering events.

Losing Julia Jonathan Hull, 2001 In a world torn apart by war, one man would search a lifetime to find what he once lost. A woman named Julia. Patrick Delaney was just a boy when he marched off to war in 1918. But on the stark battlefields of France, amid the horror and the chaos, Patrick forged a bond that would shape the course of his life. Daniel was Patrick's best friend, his comrade in arms. But it was Daniel's lover, Julia, who would change Patrick forever. Julia's letters, shared by Daniel in the muddy trenches, touched Patrick in ways he never could have expected. But years would pass before he finally met her at a war memorial in France. There, on a field still scarred by battle, Patrick closed his eyes in silent prayer and opened them to the woman he had never seen but always loved. Julia. After a brief, passionate encounter, Patrick made a fateful choice, and Julia slipped away, perhaps never to return. It is just the beginning of an astonishing story that will span almost a century, a story of memory and desire, history and destiny, and of the people who slip from our grasp only to hold us forever. **American Magazine**, 1922 *American Illustrated Magazine*, 1910 *The Morning Star and Free Baptist*, 1908 **English Mechanic and World of Science**, 1892 **The Farmer**, 1927
