Cultural Diversity in Child Protection Siobhan E. Laird, Prospera Tedam, 2019-04-10 Racial ethnic and religious diversity requires social workers to safeguard children and support families from many different minority backgrounds This innovative book is based on an analysis of Serious Case Reviews Child Safeguarding Practice Reviews involving issues of race ethnicity and faith The authors examine face to face social work practice with children parents their partners and other family members from black and minority ethnic backgrounds Throughout they identify common mistakes in practice and detail culturally competent responses to often challenging child protection situations Students and practitioners are supported in the development of their own knowledge and skills through a series of reflective exercises and worked case examples

Breaking Generational Curses When Child Protective Services Takes Your Children Dr. Rachael

Robertson, 2020-05 The Department of Protective Services is just heartbreaking And children return home even if it s from child to adulthood and on their own terms It happens and there are challenging factors to face but we ll help migrate into restoration The ultimate guide to restoring relationships something the department doesn t seem to stay around to witness and viable explanations to children Whether families are separated because of parental alienation facing allegations with Family Protective Services and or incarcerated parents damage is significant Not only do all parties face trauma alienation and loss but also a range of economic and social trials that result **"Code of Massachusetts regulations, 2014"**, 2014 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 *Care Proceedings with an International Element* Maria Sofia Wright, 2025-10-02 Presenting the findings of a study of 100 care cases this book provides rigorous analysis of how jurisdictional issues are determined and how information sharing of child protection operates across borders It draws on the first empirical study of the operation of private international law instruments Brussels IIa and the 1996 Hague Convention in care proceedings in England It also illustrates how prospective carers are assessed and the routes which are used to secure legal permanence for children living overseas In so doing it identifies all the ways in which children s welfare interests are compromised in the cross border context But it does suggest solutions identifying how private international law instruments their interpretation and application should be improved to promote the best interests of children This is an impressive work which will be invaluable to both scholars and practitioners
