An unnamed American city feeling the effects of a war waged far away and suffering from bad weather is the backdrop for this startling work of fiction. The protagonists are aimless young men going from one blue collar job to the next or in a few cases aspiring to middle management. Their everyday struggles with women, with the morning commute, with a series of cruel bosses are somehow transformed into storytelling that is both universally resonant and wonderfully uncanny. That is the unsettling, funny, and ultimately heartfelt originality of Saïd Sayrafiezadeh's short fiction: to be at home in a world not quite our own but with many many lessons to offer us. *New American Stories* Ben Marcus, 2015-07-21. In *New American Stories* the beautiful, the strange, the melancholy, and the sublime all come together to show the vast range of the American short story. In this remarkable anthology Ben Marcus has corralled a vital and artistically singular crowd of contemporary fiction writers. Collected here are practitioners of deep realism, mind-blowing experimentalism, and every hybrid in between. Luminaries and cult authors stand side-by-side with the most compelling new literary voices. Nothing less than the American short story renaissance distilled down to its most relevant, daring, and unforgettable works. *New American Stories* puts on wide display the true art of an American idiom. *The Publishers Weekly*, 2009. [Best Copy Available](#) Jay Baron Nicorvo, 2024-09-01. In the winter of 1984 Sharon Nicorvo was violently raped while delivering pizza to Fort Monmouth Army Base in New Jersey. At the same time her seven-year-old son Jay was being subjected to repeated and secret sexual abuse by his babysitter. *Best Copy Available* delves into these devastating events and their long aftermath. Thirty years later Nicorvo receives a photocopy of the criminal investigation report documenting that brutal night. This report offers a primer to better understand certain assumptions about class and race, sex and violence, crime and punishment, low and high culture, sanity, madness, and masculinity, and the facsimile nature of the truth. As various American men, some real, some imagined, all prone to violence, move in and then out of their hardscrabble lives, mother and son spend decades avoiding and ultimately confronting what happened to them in that formative year. From the Jersey Shore to the Gulf Coast of Florida to the Midwest, *Best Copy Available* tells a harrowing and sometimes hilarious American story: how the love of a single mother helped end an awful cycle of abuse and abandonment. Most ambitiously, *Best Copy Available* lends voice to an alternative version of American boyhood, manhood, and fatherhood. One where the sons of deadbeat dads can grow up to be stay-at-home dads, and where our boys and men may realize that the most courageous show of strength is not the determined use of force. It's knowing when and how to ask for help. **To Show and to Tell** Phillip Lopate, 2013-02-12. A long-awaited and illuminating book on

personal writing from Phillip Lopate celebrated essayist professor of writing at Columbia University and editor of *The Art of the Personal Essay* Distinguished author Phillip Lopate editor of the celebrated anthology *The Art of the Personal Essay* is universally acclaimed as one of our best personal essayists *Dallas Morning News* Here combining more than forty years of lessons from his storied career as a writer and professor he brings us this highly anticipated nuts and bolts guide to writing literary nonfiction A phenomenal master class shaped by Lopate's informative accessible tone and immense gift for storytelling *To Show and To Tell* reads like a long walk with a favorite professor refreshing insightful and encouraging in often unexpected ways *The Writers Directory*, 2013 **Book Review Digest**, 2009 **The Literary Review**, 2009

Leaving the Witness Amber Scoriah, 2020-06-02 A fascinating glimpse into the consciousness of being an outsider in every possible way and what it takes to find your path into the life you'd like to lead *Nylon* A riveting memoir of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries A third generation Jehovah's Witness Amber Scoriah had devoted her life to sounding God's warning of impending Armageddon She volunteered to take the message to China where the preaching she did was illegal and could result in her expulsion or worse Here she had some distance from her community for the first time Immersion in a foreign language and culture and a whole new way of thinking turned her world upside down and eventually led her to lose all that she had been sure was true As a proselytizer in Shanghai using fake names and secret codes to evade the authorities notice Scoriah discreetly looked for targets in public parks and stores To support herself she found work at a Chinese language learning podcast hiding her real purpose from her coworkers Now with a creative outlet getting to know worldly people for the first time she began to understand that there were other ways of seeing the world and living a fulfilling life When one of these relationships became an escape hatch Scoriah's loss of faith culminated in her own personal apocalypse the only kind of ending possible for a Jehovah's Witness Shunned by family and friends as an apostate Scoriah was alone in Shanghai and thrown into a world she had only known from the periphery with no education or support system A coming of age story of a woman already in her thirties this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity It follows Scoriah to New York City where a personal tragedy forces her to look for new ways to find meaning in the absence of religion With compelling spare prose *Leaving the Witness* traces the bittersweet process of starting over when everything one's life was built around is gone *New York*, 2010-05
