celebrated author of Urban Cowboy delivers a Texas size love story that transplants the legend of Arthur Guinevere Lancelot and Merlin alive and well to the Old West to stunning effect Code of the West begins when Jimmy Goodnight a young earnest cowhand recovering from having been brutally abducted by Comanches who slaughtered his family sets his life on a new and surprising course by visiting a county fair There he agrees to try to pull out an ax that has been deeply imbedded in an anvil and that has defied the efforts of the strongest men in Texas Jimmy s astonishing and triumphant achievement at the fair changes his life With the prize money he follows his dream recruits cowboys puts together a herd of cattle and drives them across the plains to a deep canyon where he intends to make his own private kingdom Goodnight s luck and courage bring him an early and gratifying success Above all they bring him the comradeship of his men and the friendship of a lifetime

when he meets Jack Loving who is everything Jimmy Goodnight isn't handsome graceful a naturally gifted horseman and a great dancer Together Goodnight and Loving make a formidable team and their relationship is one of complete trust the bedrock on which Goodnight's growing empire rests on a seemingly solid foundation until a woman appears with whom both men fall in love All goes well until Goodnight makes a fearful vengeful and unforgiving enemy takes on an Eastern big businessman as a partner and falls in love with his beautiful daughter Revelie and fails to notice the growing mutual attraction between Revelie and Loving Compulsively readable cleverly interweaving Western history Loving and Goodnight are both based on real people in the historical West and Arthurian legend Code of the West is a powerful love story a sweeping adventure a great Western and just the kind of unexpected unusual and hugely successful work of fiction that has sealed Aaron Latham's reputation
