When Women Rule The Worldwhat Would Change:

When Women Rule the World What Would Change? Shelley Taylor,2012-08-01 The author Shelley Taylor gives you a snapshot of what the world would be like when ruled by women She challenges you to think outside the box when she asks the question When women rule the world what would change She gives the reader a reality check by providing thirty nine women who have successfully held positions as presidents and prime ministers around the world The author points to the ills of society under men ruling in areas such as wars murders animals air water food child molestation robbery gangs drug wars domestic abuse racism kidnapping and rape The author points out what would change and how it would change when women rule the world As controversial as this book may be to both men and women one cannot resist the desire to want to read it Think about it and then ask yourself this question When Women Rule The World What Would Change

When Women Rule the World Julia G Millan,2024-03-25 The novel depicts a matriarchal society where men are used just for work and are deemed as mere sources of seed to beget daughters But technology will soon make it possible to conceive only females and machines would do all the work that males do Many women wonder if it s time to take the leap towards a New Humanity However someone comes from the future seeking answers with even more intriguing questions Where did this society come from Why do they know nothing about their origins What happened to the Old Humanity Mysteries will unfold in succession and just when things seem to be clearing up new even deeper questions will arise Finally to understand what has happened another journey through time will be necessary back to the very dawn of Humanity The explanation will be completely unexpected and will surprise many

Why Don't Women Rule the World? J. Cherie Strachan,Lori M. Poloni-Staudinger,Shannon Jenkins,Candice D. Ortals,2019-07-12 Why Don t Women Rule the World is unlike other texts in its comparative approach and strong theoretical underpinnings It has interesting pedagogical features that will resonate with comparative scholars Americanists and those who integrate public policy analysis into the course Rebecca E Deen University of Texas at Arlington Why don t women have more influence over the way the world is structured Written by four leaders within the national and international academic caucuses on women and politics Why Don t Women Rule the World helps students to understand how the underrepresentation of women manifests within politics and the impact this has on policy Grounded in theory with practical job related activities the book offers a thorough introduction to the study of women and politics and will bolster students political interests ambitions and efficacy Key Features A comparative perspective expands students awareness of their own intersectional identities and the varying effects of patriarchy on women worldwide A variety of policy areas highlighted throughout the book illustrates how different theories are applied to real world situations Multiple political engagement activities keep students engaged with the content
