Buy Now Emily West, 2022-02-22
How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy. Amazon is ubiquitous in our daily lives: we stream movies and television on Amazon Prime Video, converse with Alexa, receive messages on our smartphone about the progress of our latest orders. In *Buy Now*, Emily West examines Amazon's consumer-facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives, even as it faded into the background, becoming a sort of infrastructure that can be taken for granted. Amazon promotes the comfort and care of its

customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand's focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand's image control strategies West considers why pushback against Amazon's ubiquity and market power has come mainly from among Amazon's workers rather than its customers or competitors arguing that Amazon's brand logic fragments consumers as a political bloc West's innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today's economy *iPad Fully Loaded* Alan Hess,2011-03-23 Alan knows and he's telling All about your iPad It's an iPod It's an e reader It's an instant classic And now you can discover all the secrets to this dazzling device thanks to Alan Hess You may think you already know your iPad inside and out until Alan shows you how to write your own books stream your iTunes view comic book files and transfer photos with Eye Fi He provides all the tips and techniques you need to get the absolute most out of your iPad Figure you already get all things iPad Don't count on it until you read this book Browse through the iBooksStore and start speed e reading Catch all the news from traditional sources and news aggregator apps like Pulse and Flipboard Get all your photos exactly where and how you want them to be Create documents crunch numbers work on presentations and iWork from the beach Access your files on the go with Dropbox and read just about any file with GoodReader Get more out of and into your iPad than you ever thought possible *Kindle Buffet* Steve Weber,2012 Free books all you can eat You may never have to pay for a book again Many popular books are offered completely free of charge during brief promotional periods If you manage to find and download a book while it's offered free it's yours to keep forever It's a great way to sample a new genre or perhaps discover an author you had not noticed before The free promotions usually last only a few days but there is a new crop every day You will be amazed at the wealth of great books usually there are several hundred freebies in virtually every category of fiction and nonfiction every day of the year This book will introduce you to KindleBuffet.com a showcase for the best free Kindle books plus a multitude of other avenues toward great free content *iPad 2 Fully Loaded* Alan Hess,2011-06-28 A hip straightforward guide to squeezing every bit of functionality from the iPad 2 Apple's new iPad 2 offers new functionality WiFi or 3G connectivity a choice of data plans and a new and more powerful iOS 4 operating system in a thinner lighter device This book shows how to get the most from every feature It covers the two front and rear facing cameras advice on using the multitouch display and the pros and cons of WiFi vs 3G Then it explores video chatting with FaceTime streaming music and movies to your HDTV tips on shooting HD video how to sync the iPad to your computer and transfer content and much more With its advanced iOS 4 operating system the iPad 2 offers new functionality two cameras WiFi and 3G connectivity and the availability of thousands of apps This book explains how to evaluate and choose a data plan as well as how to set up your iPad
