Women Making a Difference in Marriage Lana Packer, 2001 *Women Making a Difference in Marriage Building Love Joy and Commitment* Lana Packer, 2002-02 *Pastoral Ministry* Dag Heward-Mills, 2011 Discover the keys strategies and principles for successful and effective pastoral work Invaluable tips for training laity to perform priestly functions Understanding that the presence and power of God is the key to doing great works for God Concise instructions on how to receive an anointing Helpful hints on how to make advancements in Ministry Insightful instructions for the personal development of a pastor One night while studying in a remote town of Ghana God miraculously anointed Dag Heward Mills as he waited upon the Lord He supernaturally heard the words From now on you can teach This supernatural call is what has ushered him into a worldwide ministry Today his Healing Jesus Crusades are conducted throughout the world with thousands in attendance and many accompanying miracles These phenomenal miracles attested to by medical doctors have included the opening of the eyes of the blind the restoring of hearing to the deaf the emptying of wheel chairs and even the raising of the dead Dag Heward Mills an author of several bestselling books also founded the Lighthouse Chapel International has become a worldwide denomination His radio TV and internet programs reach millions around the world Other outreaches include pastors and ministers conferences and the renowned Anagkazo Bible and Ministry Training Center Dag Heward Mills lives in Accra Ghana with his wife Adelaide and their four children David Joshua Daniella and Paula *Love, Joy, and Sex* Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis's *Amoris Laetitia* This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life This volume has gathered seminal commentaries on *Amoris Laetitia* by African Catholic theologians social scientists and pastoral workers They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other divisive issues These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling The authors here also call for the inclusion of Africa's own unique challenges like polygamy childless marriages and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life They also challenge uncritical clichés in world Christianity that Africa's opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful

continent **Joy of Committed Love** Gary Smalley, 1990 Explaining the differences between the sexes this book looks at the basic division between men and women The author argues that men are in actual fact more violent when angry than women who tend to be more verbal The book offers new insights into the reasons a wife is more likely to nurture a relationship even though her husband doesn't carry the instinctive awareness of what the relationship should be Every relationship can be fulfilling the secret lies in knowing understanding and honouring your mate Whether married for two weeks or 20 years this book carries important facts for loving couples and their lives together Better or for Best The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise

David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health
