Gender and Diversity in the Middle East and North Africa Zahia Smail Salhi, 2013-09-13 The images of women in chadors or burqas as contrasted with images of belly dancers which circulate today as representations of Muslim Middle Eastern women do not fluctuate from the images propagated by Orientalist paintings and colonial photographs which also offer contrasting representations of the veiled thus secluded and the naked or semi naked thus eroticised Muslim Oriental woman As well as challenging the prevailing stereotypes of the Middle Eastern and North African women the book aims to highlight the element of diversity which characterises the lives of these women and the regions to which they belong The sense that most of the Middle Eastern and North African countries are Muslim does confer a common identity a distinction from others that may serve to bridge wide social cultural and economic differences among them However it is also important to stress that significant elements other than Islam contribute to the making of MENA societies and women s cultural identities This book was published as a special issue of the British Journal of Middle Eastern Studies

Reproducing Sectarianism Paul W. T. Kingston, 2013-06-20 The Arab Spring in Tunisia Egypt Libya and elsewhere has highlighted the growing importance of the politics of civil society in the contemporary Middle East In Reproducing Sectarianism Paul W T Kingston examines rights oriented advocacy networks within Lebanon s postwar civil society focusing on movements and political campaigns based on gender relations the environment and disability Set within Lebanon s postwar sectarian democracy whose factionalizing dynamics have long penetrated the country s civil society Kingston s fascinating study provides an in depth analysis of the successes and challenges that ensued in promoting rights oriented social policies Drawing on extensive field research including interviews and a wealth of primary documents Kingston has produced a groundbreaking work that will be of interest to Middle East experts and nonexperts alike

Seeing Arabs Through an American School Robert F. Ober Jr., 2003-09-12 The author encountered the Arab worlds full complexity while heading the largest American independent school abroad International College Beirut Lebanon The College serves 3500 Arab students preschool through high school Its nonsectarian program accommodates Muslim Druze and Christian families The author worked to strengthen the schools American attributes in an atmosphere beclouded by Israeli air attacks Hezbollah s resistance Syrias occupation and allegations of CIA involvement Indigenous ways of management that had become entrenched during wartime as well as board governance from afar added complications Despite everything the school is a model that deserves replication elsewhere in the Middle East especially after September 11 A reviewer in Connecticut observes As our national attention focuses more and more closely on that deeply troubled region Mr Obers experiences as president of a large private school take on increased relevance Collectively his descriptions develop a complete picture of an

ancient and proud culture that is only glimpsed in other parts of the world amid dramatic news copy and images of violence Litchfield County Times November 21 2003 *American Diplomacy Toward Lebanon* David Hale,2024-02-08 Lebanon's significance to the Middle East and the global arena is greater than its small size suggests bordering Israel and Syria it holds a geo strategic role as the playing field for their competition as well as for their allies America and Iran This book examines how American diplomacy has responded to the intersection of local regional and international factors in Lebanon David Hale examines several key episodes in US diplomatic history with Lebanon starting with the country's independence in 1943 up until the present moment Crucial events such as the Lebanese Civil War the Cedar Revolution and more recently the spillover from the Syrian Civil War are examined within the context of the respective US government administrations of the time and their foreign policy strategies Hale asks whether policy makers had realistic and compelling goals the right strategy sufficient means and capable diplomats in its diplomatic approaches towards Lebanon through the years Crucially this study focuses on how during these critical periods American diplomacy toward Lebanon had consequences beyond the country itself and on the narrative lines and lessons for the broader conduct of American foreign policy **Arab Youth** Samir Khalaf,Roseanne Saad Khalaf,2012-01-30 In 2011 Arab youth took to the streets in their thousands to demand their freedom Although it is too early to speculate on the ultimate outcome of the uprisings one auspicious feature stands out they reveal the genesis of a new generation sparked by the desire for civil liberties advocacy for human rights and participatory democracy This unique volume explores some of the antecedents of the upheavals and anticipates alternative venues of resistance that marginalized youth from Lebanon Syria and Palestine to Saudi Arabia Morocco and Iran can mobilize to realize their emancipatory expectations Themes covered include the forging of meaningful collective identities in times of risk and uncertainty youth militancy neighborhood violence and youth gangs the surge of youthful activism and youths expressive outlets through popular arts and street music *The Greenwood Encyclopedia of Children's Issues Worldwide* Irving Epstein,2007-12-30 From the skyrocketing AIDS rate in Haiti to the oppressive pollution in industrial China from the violent street culture of Nigeria to the crippling poverty in Nicaragua from child trafficking in Thailand to child marriages in India this jam packed six volume set explores all these issues and more in an unprecedented look at the world's children at the dawn of the 21st century In recent years while many countries have enjoyed a higher standard of living and improved working conditions others have been torn apart by war and incapacitated by famine and are struggling to improve life for their children and their future Recent concern over the world's children has resulted in a global attempt to define what constitutes an acceptable childhood New attention has been paid not only to healthcare and secondary education but also to the right to play and increased access to technology The UN's codification of children's rights has done much to expand our understanding of what is needed for healthy growth and development of children and youth Organized by region The Greenwood Encyclopedia of Children's Issues Worldwide is the first globally focused set of this magnitude offering extensive
