

Women's Suffrage the Reform Against Nature

Virginia Warns Her People Against Woman Suffrage

TWENTY-NINE COUNTIES WOULD GO UNDER NEGRO RULE
OVER SIXTY COUNTIES IN THE STATE OF GEORGIA
THE ENTIRE STATE OF MISSISSIPPI

WHAT OF YOUR STATE, YOUR COUNTY? ISN'T IT ABOUT TIME FOR REFLECTING
MEN AND WOMEN TO THINK—AND ACT?

THE THREATENED COUNTIES

From the Richmond Evening Journal May 8, 1901—Republished by Request

Several times The Richmond Evening Journal has been asked to say which counties of Virginia have more colored than white female inhabitants. The question, of course, in its connection with the somewhat more delicate one read of in the newspapers for "votes for women." Here is the list, from the United States census of 1900:

	Colored Females	White Females
Anneville	2,678	2,678
Brunswick	5,549	5,549
Buckingham	3,891	3,738
Caroline	4,314	3,934
Charles City	1,817	645
Charlotte	4,282	5,389
Cumberland	2,968	3,004
Districts	4,619	2,806
Essex	2,618	1,909
Gooseland	2,505	1,914
Greensville	3,720	3,177
Hatteras	10,800	8,713
Isle of Wight	3,729	3,613
King and Queen	2,615	2,009
King William	2,409	1,609
Lancaster	2,331	2,273
Lynchburg	2,338	2,856
Mechenburgh	8,280	6,160
Middlesex	2,148	2,603
Nampanth	2,647	3,602
New Kent	1,317	802
Norfolk	15,996	10,039
Northampton	4,867	3,308
Nottingham	3,715	3,016
Powhatan	1,818	1,168
Prince Edward	4,367	2,905
Prince George	2,227	1,603
Princess Anne	2,803	2,003
Southampton	8,005	5,001
Surrey	2,604	1,763
Sussex	4,400	2,770
Warwick	2,612	819
Westmoreland	2,379	2,103

We may assume that the proportions of females twenty-one years of age, or over, or who have come of age since the census was taken is the same in the two races.

Assuming that the women of the two races would qualify to vote in the same proportions and that the white and colored male vote would remain as they were shown to be by the returns of the last presidential election, the colored people would have absolute and immediate control of the counties of Amelia, Brunswick, Caroline, Charles City, Charlotte, Cumberland, Districts, Essex, Gooseland, Greensville, King and Queen, King William, Lancaster, Mechenburgh, Nampanth, New Kent, Norfolk, Northampton, Nottingham, Powhatan, Prince Edward, Southampton, Surrey, Sussex, Warwick and Westmoreland.

In Buckingham, Halifax, Lancaster and Princess Anne the whites would have a fighting chance if their women vote and prevent white male vote combined solidly against the colored woman and prevent colored male vote.

It is to be remembered that the literacy test would not work in checking off the colored woman vote. The colored people are decreasing their percentage of illiteracy very fast, especially among their women and girls. The ladies of the suffrage league will hardly come forward with a property test. No safeguard would be left but the poll tax; and if colored women knew they could get votes and rule some very rich and important counties by paying \$1.50 apiece, we are inclined to think most of them would be willing to go hungry, if necessary to do it.

Probably the ladies engaged in this suffrage movement are not very practical or very logical or very well informed or disposed to further their heads with the worst facts of politics. Most of them, we surmise, hold the somewhat vague, but firmly established feminine line of reasoning that when they want something, or think they want it, they ought to have it by all principles of wisdom and justice; and are prepared always to fall back on the traditional exclusive feminine argument "because."

No other argument, however profound, is quite so convincing or fascinating as that word "because," accompanied by some positing of suffering and sin; or by some display of sympathy by way of re-enforcement. But men are compelled and accustomed to face and deal with hard facts when considering important affairs in business or in politics. It is a hard fact that twenty-nine counties of Virginia would be controlled by woman suffrage to colored rule and five others would be in serious peril of it with woman suffrage.

We do not suppose, or imagine, that the suffrage ladies would suggest resort to running out the colored people of those men per, or to stuffing ballot boxes or polluting registration lists. We wicked and inefficient and tyrannical men who are supposed to have made such a bad mess of government in Virginia, because ashamed of such methods and alarmed by them and convinced to remove the necessity for them. Surely, we are not to be invited to return to the attempt from which we dug ourselves.

The population and the votes are in these counties as stated. We can't get away from the Negro and fastidious ladies. Take twenty-nine counties and make them Republicans and add them to the counties already Republicans, or close, and the Democratic party and white rule in Virginia will be swinging on a mighty thin line.

Womens Suffrage The Reform Against Nature

Horace Bushnell

Womens Suffrage The Reform Against Nature:

Women's Suffrage Horace Bushnell, 1896 **Women's Suffrage** Horace Bushnell, 1869 The author expresses the opinion that suffrage for women would upset the natural order of things *WOMENS SUFFRAGE THE REFORM AGA* Horace 1802-1876 Bushnell, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Women's Suffrage* Horace Bushnell, 1978 *WOMENS SUFFRAGE* Horace 1802-1876 Bushnell, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Women's Suffrage, the Reform Against Nature, by Horace Bushnell* Horace Bushnell, 1869 **Women's Suffrage** Horace Bushnell, 2017-11-25 Excerpt from *Women's Suffrage The Reform Against Nature* In this manner it results that the lot of woman comes to be a lot of abridgment and suppression much more commonly than we have been observing ourselves As our attention is called to the matter and we become more completely awake to it we are surprised to find how many disadvantages are laid upon the condition of woman that no principle of equity permits and no pretense of reason or necessity justifies It does not surprise us that in the savage and barbarous forms of society she is reduced to the lot of a menial or drudge and well nigh to a beast of burden or that she is bought and sold for marriage apart from any right of consent and con signed in this manner to a husband whose power is a power of life and death All such monstrous kinds of

wrong we expect to encounter in the barbaric conditions of society But the real wonder now forcing itself upon our discovery is that our own deliberately adjusted laws and institutions are so often unequal as regards the property rights of men and women and the redress of their personal wrongs that women are so often excluded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Reform Against Nature Carolyn Summers Vacca, 2004 Debates over women's suffrage filled the pages of nineteenth century articles speeches and books Early natural rights justifications gave way to those based on women's special characteristics characteristics used by vehement anti suffragists to justify women's exclusion from the polity These questions over natural rights reappeared in immigration and naturalization debates which also attracted the print media's attention This shift in the rationale for inclusion in the suffrage debates paved the way for a reorientation of American views from citizenship as a right to citizenship as a privilege a view that informed America's response to questions of immigration and naturalization in the early twentieth century

Woman's Suffrage; the Reform Against Nature, 1869

The Enigmatic Realm of **Womens Suffrage The Reform Against Nature**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
