Handbook of Feminist Family Studies

Sally A. Lloyd, April L. Few, Katherine R. Allen, 2009-04-14 *The Handbook of Feminist Family Studies* demonstrates how feminist contributions to family science advance our understanding of relationships among individuals families and communities Bringing together some of the most well respected scholars in the field the editors showcase feminist family scholarship creating a scholarly forum for interpretation and dissemination of feminist work The Handbook's contributors eloquently share their passion for scholarship and practice and offer new insights about the places we call home and family The contributions as a whole provide overviews of the most important theories methodologies and practices along with concrete examples of how scholars

and practitioners actually engage in doing feminist family studies

Key Features Examines the influence of feminism on the family studies field including the many ways feminism brings about a re visioning of families that incorporates multiple voices and perspectives Centers the intersections of race ethnicity class gender sexuality age nation ability and religion as a pivotal framework for examining interlocking structures of inequality and privilege both inside families and in the relationship between families and institutions communities and ideologies Provides concrete examples of how scholars and practitioners explore such facets of feminist family studies as intimate partnerships kinship aging sexualities intimate violence community structures and experiences of immigration Explores how the infusion of feminism into family studies has created a crisis over deeply held assumptions about family life and calls for even greater fusion between feminist theory and family studies toward the creation of solutions to pressing social issues

The Handbook of Feminist Family Studies is an excellent resource for scholars practitioners and students across the fields of family studies sociology human development psychology social work women s studies close relationships communication family nursing and health as a welcome addition to any academic library It is also appropriate for use in graduate courses on theory and methodology A portion of the royalties from this book have been contributed to the Jessie Bernard Endowment sponsored by the Feminism and Family Studies Section of the National Council on Family Relations in support of feminist scholarship

Women's Studies: The Basics Bonnie G.

Women s Studies The Basics provides an informed foundation for those new to the subject and is especially meant to guide undergraduates and postgraduates concentrating in women s studies and gender studies Those in related disciplines will find in it a valuable overview of and background to women centered issues and concerns including global ones The work also provides an updated list of suggested reading to help in further study classroom presentations and written exercises

Decolonial Feminist Genealogies and Futures

Annie Isabel Fukushima,K. Melchor Quick Hall,2025-11-25 From the COVID 19 pandemic to the war in Gaza recent events have demonstrated the implacability of settler colonialism and its racist underpinnings Annie Isabel Fukushima and K Melchor Quick Hall edit a visionary collection focused on radical struggles against these forces The editors organize the essays in four thematic sections subversive labor spatialities and temporalities resistance and genealogies and feminist futures Inspired by outside catalysts like sharing circles and poetry the contributors challenge the boundaries of time and

space that we imagine as constraints on labor and resistance Their methodological approaches include participation observation pl ticas critical participatory action research spatial analysis interviews testimonio grounded theory and historical analysis Interdisciplinary and diverse Decolonial Feminist Genealogies and Futures draws on a unique history of thought and action to map a new generation of practices Contributors Esther O Ajayi Lowo Ana Carolina Antunes Xamuel Ba ales Azza Basarudin Tina Beyene Linda Carty Elisa Contreras Janice Cindy Gaudet Lynn Hampton Amanda Jurno Eun Jin Keish Kim Shireen Keyl Leece Lee Oliver Monique Lemos Xochitl E L pez Andrade Tricia McGuire Adams Sylvia Mendoza Avi a Akanksha Misra Cueponcaxochitl D Moreno Sandoval Bruno Moreschi Rachel Afi Quinn K Melchor Quick Hall Angel Sutjipto Miriam G Valdovinos and Lydia Zakel

Rethinking Women's and Gender Studies Volume 2 Catherine M. Orr, Ann Braithwaite, 2023-11-23 The second volume of Rethinking Women's and Gender Studies addresses the complexities and inherent paradoxes within the expansive knowledge project known as Women's and Gender Studies for audiences both inside and adjacent to the field Each of the volume's chapters identifies and critically examines a key term that circulates in this field exploring how the term has come to be understood and mobilized within its everyday narratives and practices In constructing provocative genealogies for their terms authors explicate the roles that this language and the narratives attached to it play in producing and limiting possible versions of the field The ongoing aim of Rethinking Women's and Gender Studies both in the original volume and this entirely new extension is to trace and expose important paradoxes ironies and contradictions embedded in the field from its high theory to its casual conversations that rely on these terms Forging collective conversation and intellectual community from its thoughtful and critical lines of inquiry the second volume of Rethinking Women's and Gender Studies remains bracingly original and full of fresh insight It provides a perfect complement for Feminist Theory Senior Capstone and introductory graduate level courses offered in Women's and Gender Studies and related fields

Israeli Women's Studies Esther Fuchs, 2005 The purpose of the present anthology is to bring together select and organize the publishing work that has been done in the last two decades The idea is to highlight current state of the art essays and point to an evolutionary trajectory from the earlier pioneering essays to the voices that define the field today

This Book Is an Action Jaime Harker, Cecilia Konchar Farr, 2015-12-30 The Women's Liberation Movement held a foundational belief in the written word's power to incite social change In this new collection Jaime Harker and Cecilia Konchar Farr curate essays that reveal how second wave feminists embraced this potential with a vengeance The authors in *This Book Is an Action* investigate the dynamic print culture that emerged as the feminist movement reawakened in the late 1960s The works created by women shined a light on taboo topics and offered inspiring accounts of personal transformation Yet as the essayists reveal the texts represented something far greater a distinct and influential American literary renaissance On the one hand feminists took control of the process by building a network of publishers and distributors owned and operated by women On the other women writers threw off convention to venture into radical and experimental forms

poetry and genre storytelling and in so doing created works that raised the consciousness of a generation Examining feminist print culture from its structures and systems to defining texts by Margaret Atwood and Alice Walker This Book Is an Action suggests untapped possibilities for the critical and aesthetic analysis of the diverse range of literary production during feminism s second wave **Solitudes of the Workplace** Elvi Whittaker,2015-12-01 A consideration of workplace identities and the stresses women experience within the university system
