Creativity, Theology, and Posttraumatic Growth Dustin S. Risser,2022-08-11 The relationship between creativity Christian theology and experiences of growth after trauma may open pathways towards transformation for

individuals and communities An integrated theory based upon the psychological theories of D W Winnicott the pneumatology of Jürgen Moltmann and the current science of trauma and creativity is proposed to investigate how playful creative expression with the world may foster experiences of positive psychological change This theory suggests that creative action rooted in a rediscovery of play might allow for experiences of reorganization and growth after traumatic upheaval Stewarding creative action after trauma is one way in which the afflicted can collaborate with the Holy Spirit even in the midst of tragic pain to honor our wholeness and dignity as beings made in the image of God Accessing our created God given purpose and identity from a perspective of playful co creation is offered as a path to psychological healing and transformation This approach may have wide ranging implications for faith based clinicians the church and communities walking through traumatic desert like landscapes of the heart *Children's Short Story Index for Special Holidays* ,1928

Inventing 'Easter Island' Beverley Haun,2008-01-01 Easter Island or Rapa Nui as it is known to its inhabitants is located in the Pacific Ocean 3600 kilometres west of South America Annexed by Chile in 1888 the island has been a source of fascination for the world beyond the island since the first visit by Europeans in 1722 due to its intriguing statues and complex history Inventing Easter Island examines narrative strategies and visual conventions in the discursive construction of Easter Island as distinct from the native conception of Rapa Nui It looks at the geographic imaginary that pervaded the eighteenth century a period of overwhelming imperial expansion Beverley Haun begins with a discussion of forces that shaped the European version of island culture and goes on to consider the representation of that culture in the form of explorer texts and illustrations as well as more recent texts and images in comic books and kitsch from off the island Throughout Easter Island is used as a case study of the impact of imperialism on the view of a culture from outside The study hinges on three key points an inquiry into the formation of Easter Island as a subject an examination of how the constructed space and culture have been shaped reshaped and represented in discursive spaces and a discussion of cultural memory and how the constraints of foreign texts and images have shaped thought and action about Easter Island Richly illustrated and unique in its findings Inventing Easter Island will appeal to cultural theorists anthropologists educators and anyone interested in the history of the South Pacific
