Webster, 2012-08-13 If you have picked up this book chances are you are a committed follower of Christ Like many searching Christians you are tired of religious busywork and showy piety You long for authentic worship and meaningful service You came to Christ with deep expectations of transformation and service but those passions have been starved by shallow theology and superficial relationships You are looking for something more You are ready to sink your mind into what the Bible says about the call of God the priesthood of all believers and what it means to live for Christ and his kingdom The two volume Living in Tension offers in depth spiritual direction on the crucial issues shaping a theology of ministry This is not a book for pastors only Webster intentionally blurs the distinction between pastor and congregation This book is for all believers who take God's call to salvation service sacrifice and simplicity seriously Living in Tension provides need to know insights for every congregation Pastors will find that this passionate and practical theology translates well into their own lives and into the life of the church *Origin of Language and Myths* Morgan Kavanagh, 2023-03-05 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Real Monsters** Sudipta Bardhan-Quallen, 2008 Investigates the appearance of vampires mummies werewolves zombies ghosts witches and other monsters many claim are real [Myth, Ritual And Religion Vol. 1](#) Andrew Lang, 2023-12-01 Andrew Lang a Scottish anthropologist and folklorist wrote the landmark work Myth Ritual and Religion Volume 1 This work contributes significantly to anthropology and religious studies In this volume Lang investigates the interdependence of myth ritual and theology in a variety of cultures and communities He delves into myths and rituals from various civilizations including ancient Greece Rome Egypt and indigenous cultures Lang studies how myths and rituals can commonly play an important role in molding a society's religious beliefs and practices He investigates the symbolic value of myths and rituals emphasizing their role in understanding the mysteries of life death and the natural world Lang's work is notable for its comparative technique which connects nations in order to discover universal themes and patterns in myth and ritual He contends that these traditions and ceremonies are not merely historical relics but they continue to influence present religious practices and ideals Some stories

are brutal and weird while others creep up on you and draw you in slowly With an eye catching new cover and professionally typeset copy this edition of *Myth Ritual and Religion Vol 1* is both current and intelligible **The Ways of a King** Geoffrey P. Miller, 2011-11-16 Geoffrey P Miller argues that the narratives from Genesis to Second Kings present a sophisticated argument for political obligation and for limited monarchy as the best form of government The Hebrew Bible in this sense can be considered as one of the earliest political philosophies of the western world The Garden of Eden story identifies revelation consent utopia natural law ownership power patriarchy and justice as bases for political obligation The stories of life after the expulsion from Eden argue that government and law are essential for a decent life The Genesis narratives recognize patriarchal authority but also identifies limits based on kinship higher authority and power The book of Exodus introduces the topic of political authority arguing that nationhood strictly dominates over other forms of political organization The Sinai narratives explore two important sources of authority revelation and consent of the governed The book of Joshua presents a theory of sovereignty conceived of as the exclusive and absolute control over territory The book of Judges examines two types of national government military rule and confederacy It argues that military rule is inappropriate for peacetime conditions and that the confederate form is not strong enough to deliver the benefits of nationhood The books of Samuel and Kings consider theocracy and monarchy The bible endorses monarchy as the best available form of government provided that the king is constrained by appropriate checks and balances Contrary to the view of some scholars no text from Genesis to Second Kings disapproves of monarchy as a form of government **Myth and Religion in Mircea Eliade** Douglas Allen, 2002 This is an interesting study with a great deal of information on Eliade's main themes and a detailed account of his understanding of myth **Genesis 1-11:26: The Christian Standard Commentary** Kenneth A. Mathews, 2023-06-15 Genesis 1-11 is part of The Christian Standard Commentary CSC series This commentary series focuses on the theological and exegetical concerns of each biblical book thoughtfully balancing rigorous scholarship with practical application *Where Dreams May Come (2 vol. set)* Gil Renberg, 2017-06-01 *Where Dreams May Come* was the winner of the 2018 Charles J Goodwin Award of Merit awarded by the Society for Classical Studies In this book Gil H Renberg examines the ancient religious phenomenon of incubation the ritual of sleeping at a divinity's sanctuary in order to obtain a prophetic or therapeutic dream Most prominently associated with the Panhellenic healing god Asklepios incubation was also practiced at the cult sites of numerous other divinities throughout the Greek world but it is first known from ancient Near Eastern sources and was established in Pharaonic Egypt by the time of the Macedonian conquest later Christian worship came to include similar practices Renberg's exhaustive study represents the first attempt to collect and analyze the evidence for incubation from Sumerian to Byzantine and Merovingian times thus making an important contribution to religious history This set consists of two books **Edinburgh Critical Edition of the Selected Writings of Andrew Lang, Volume 1** Lang Andrew Lang, 2015-05-22 The Selected Works of Andrew Lang Volume 1 Anthropology Fairy Tale Folklore the Origins of
