This Is Balanced Literacy, Grades K-6 Douglas Fisher, Nancy Frey, Nancy Akhavan, 2019-08-26

This is *Balanced Literacy* Grades K-6. Students learn to read and write best when their teachers balance literacy instruction. But how do you strike the right balance of skills and knowledge, reading and writing, small and whole group instruction, and direct and dialogic instruction so that all students can learn to their maximum potential? The answer lies in the intentional design of learning activities, purposeful selection of instructional materials, evidence-based teaching methods, and in strategic groupings of students based on assessment data. Together, these create the perfect balance of high-impact learning experiences that engage and excite learners. In this hands-on essential guide, best-selling authors Douglas Fisher, Nancy Frey, and Nancy Akhavan help you define that balance for your students, lighting the path to implementing balanced literacy in your classroom. Their plan empowers you to integrate evidence-based approaches that include instructional materials comprised of both informational and narrative texts. The best uses of instructional delivery modes, including direct and dialogic instruction, grouping patterns that work best to accomplish learning aims for different learners at different stages, instruction in foundational skills and meaning-making, including oral language, phonemic awareness, phonics, fluency, vocabulary, comprehension, and writing. Technology used as a tool for increasing learning of a specific literary process. All the tips and tools you need to realize the goal of balanced literacy learning are included, with classroom videos that show strategies in action. Tap your intuition, collaborate with your peers, and put the research-based strategies embedded in this roadmap to work in your classroom to implement or deepen a strong, successful balanced literacy program. Grow as a reading and writing teacher while leading your students to grow as readers and writers.

Teaching Elementary Grammar with Mentor Texts Sean Ruday, 2025-09-22

Teaching Elementary Grammar with Mentor Texts Ready to Use Lesson Plans for Grades 3-5 contains detailed grammar lesson plans for teachers in grades three, four, and five. The lesson plans in this book incorporate the research-based best practices of grammar instruction and apply those practices to the teaching and learning of grammar instruction. They present grammatical concepts in the context of effective writing by using mentor texts. These mentor text examples, which students read from a writer's perspective, deepen students' metacognition of the importance of grammatical concepts and help them see the elements of grammar as tools for strong writing that authors use strategically to make their work as strong as possible. The book provides elementary school teachers with user-friendly lesson plans that they can easily use to put mentor text-based grammar instruction into action in their classrooms. These lesson plans feature published examples of grammatical concepts from contemporary children's and middle-grade books, activities that help students connect their reading and writing experiences, and reflective activities that facilitate students' metacognition of the importance of grammatical concepts. The thorough plans in this book will help teachers put the best
