Gini Scott

Work With Me Resolving Everyday Conflict In Your Organization:

Work with Me! Gini Graham Scott, 2007-07 In *Work with Me* author Gini Graham Scott presents her proven conflict resolution model first outlined in her popular book *Resolving Conflict* and now in *Disagreements Disputes and All out War*. Here she applies this model to the workplace guiding readers on how to manage emotions and use logic and intuition to resolve common problems on the job. Written for everyone within an organization: workers, managers, supervisors, human resource directors, and CEOs, this book offers the tools needed for taking charge of workplace conflicts and developing the skills to conquer emotional barriers to resolving conflicts. Overcome common communication problems. Recognize the organizational and political factors that can create friction. Identify individual interests, needs, and wants that drive conflict situations. Deal with difficult people. Apply a variety of conflict and negotiation styles. Brainstorm ideas to generate resolution alternatives. Visualize optimal outcomes.

A Survival Guide for Working with Humans Gini Graham Scott, 2004 A down to earth practical approach to making work and business relationships more successful.

Disagreements, Disputes, and All-Out War Gini Scott, 2007-10-15 The potential for conflict exists in every interaction. But when one doesn't know how to deal with these disagreements constructively, they can escalate into unproductive and even destructive situations. The key is not to avoid conflict but to recognize and manage it skillfully to produce the best possible outcome. In this powerful and practical guide, author Gini Graham Scott shows readers how to identify the reason for the conflict, recognize and control the emotional factors, and find the best solution. Written in an accessible conversational style, packed with real life examples and including simple exercises and tools to help assess conflict situations, this indispensable guide shows readers how to handle whatever life throws at them.

Do You Look Like Your Dog? Gini Graham Scott, 2007-07 A hilarious celebration of the bond between canine and canine obsessed, this collection of photographs of dogs with their look alike humans will be a must have treat for dog owners and friends of dog owners everywhere.

A Survival Guide to Managing Employees from Hell Gini Graham Scott, 2007 All managers get saddled with problem employees from time to time. What sets great managers apart is how they deal with them. Drawing from real life stories, this helpful and humorous guide provides readers with practical advice for handling a wide range of difficult types including: The Impossible Is Incompetents, Idiots, and Imbeciles; clueless employees who simply don't know what they're doing; The Bull in the Office; China Shop, the frequently angry worker ready to confront anyone and everyone; The Party Time Performer, the employee who although great with people constantly turns work time into fun time; I've Got a Problem, employees whose work is compromised by any of a range of personal demons from drug and alcohol problems to emotional issues; From whiners and wastrels to the needy and nefarious, this book gives readers the tools they need to handle any type of difficult employee.

The Game Kim Beamon, 2001-10 Working in corporate America is like surviving in the world of sports. There are things to win, there's competition, there are teams and teammates, people play certain positions, managers are coaches, employees have game plans, and the business year is often divided into quarters. At

work the corporate professional is also a business athlete At work the corporate professional is actually in a game At work the corporate professional is personally responsible to play his position At work there is a specific set of rules for the corporate professional to follow And though the rules may seem unfair at work the corporate professional will need to follow the rules to win The reader is treated as if he s a professional basketball player going into his rookie season Chapters mirror the player s life as an athlete Before the real work season starts the business athlete spends time in pre season First and second quarter halftime third and fourth quarter reflect the actual activity at work The off season represents a time at work when the corporate professional begins to leave his new hire or rookie status to become a seasoned player A final chapter offers business advice to keep the corporate professional motivated The chapter format is simple business rules followed by explanations and random mixtures of anecdotes and sports analogies called Sports Talk Sports Talk helps to draw comparisons to similar rules or principles in the game of basketball For concepts that require more details and examples Appendices are used for reference The Appendix also includes a recommended book list and a listing of helpful Internet sites The Game assists the corporate professional in turning unconscious mistakes and blunders into purposeful and directed strategies for success saving both time and money For the employee valuable time making mistakes For the company large amounts of time and money spent paying for those mistakes In a fast paced read what The Game teaches typically takes the corporate professional years to learn and could cost a corporation multiple thousands of dollars to address Success in corporate America depends on one s ability to get in the game master the fundamentals execute offensively understand your position and play to win The Game is a complete resource for what it takes to win at work The time spent reading this book will develop and refine Mental toughness Wardrobe selection Organizational skills Social habits Performance measurements Relational skills Personal growth Financial endeavors Professional opportunities The Game is for the reader who is Graduating college and entering a professional job Currently a new hire within his first 12 24 months at work An intern or temp seeking permanent employment On the job but suspects something is holding him back Already working but needs an edge Preparing to enter the workplace for the first time or again The Game is a perfect tool to give to the male you know in one of the above categories especially if you are a n Parent Relative Friend Career or Guidance Counselor Job Placement Specialist Recruiter New hire Trainer Mentor Advisor Manager Human Resources Representative I m a retired professional athlete and now a businessman To win at work the way I did on the field I find I use many of the mental preparations team player principles and rules referenced in this book Fred Barnett former Philadelphia Eagle and Miami Dolphin *If Cubicles Could Talk* Kim Beamon,2001-10-09 How one is perceived impacts her ability to be successful And success in corporate America is the goal If Cubicles Could TalkConversation for the Female New Hire in Corporate America helps the corporate professional avoid the office clatter chatter that goes a little like this Can you believe shes actually wearing that outfit to work Could she have been more drunk at the bosss party Somebody needs to say something to her about her body odor I cant

believe she was polishing her nails at her desk Whats up with her always on the phone with her boyfriend Why does she have such an attitude Why does she act so helpless Doesnt she get it Most corporate professionals have heard made thought or heard other people think at least one of those comments about someone in the office Or worse some corporate professionals believe one of those comments could have been made heard or thought about them The point perception is reality The way a corporate professional behaves at work determines how she is perceived and her perception impacts her success And so knowing how to act in corporate America is key to creating the perceptions needed for success Cubicles offers relevant advice about how to behave at work professionally personally mentally and emotionally so that success is realized The book is a complete resource for what it takes to win and offers information needed to remove the frustration and maze ment out of that thing called work Cubicles is for the reader who wants to Strengthen her mind for the workplace Settle her wardrobe for the workplace Gain a solid foundation with the boss Manage her job description and her privileges Plan and build professional relationships Own her performance and manage her progress Mind her social manners Maintain her competitive edge at work Plan her professional future The tone is frank and honest it tells it like it is Yet Cubicles gives clear instruction regarding appropriate behaviors dress emails voicemails and overall business etiquette In ten parts Cubicles maps out what to do to be perceived as timely professional serious competent loyal trusted ethical composed mature a hard worker a team player and a real asset Cubicles also advises the corporate professional on ways to avoid being perceived as late inconsistent immature unprofessional and a liability to the company Additionally it points out what things she could be doing to reinforce negative perceptions For concepts that require more details and examples Appendices are used for reference The Appendix also includes a recommended book list and a listing of helpful Internet sites If you are Graduating college and entering a professional job Currently a new hire within her first 12 to 24 months at work An intern seeking permanent employment On the job but who suspects her perception is holding her back Already working but feeling like she needs an edge Preparing to enter the workplace for the first time or again Or if you are a n Parent Relative Friend Career or Guidance Counselor Job Placement Specialist Recruiter New hire Trainer Mentor Advisor Manager Human Resources Representative and you know a female who is in the one of the above categories then Cubicles is just the book to invest in

Environmental Communication. Second Edition Richard R. Jurin, Donny Roush, K. Jeffrey Danter, 2010-07-20 Environmental professionals can no longer simply publish research in technical journals Informing the public is now a critical part of the job Environmental Communication demonstrates step by step how it s done and is an essential guide for communicating complex information to groups not familiar with scientific material It addresses the entire communications process from message planning audience analysis and media relations to public speaking skills a good communicator must master for effective public dialogue Environmental Communication provides all the knowledge and tools you need to reach your target audience in a persuasive and highly professional manner This book will certainly help produce the skills for environmental communications sorely needed for

industry government and non profit groups as well as an informed public Sol P Baltimore Director Environmental Communications and Adjunct faculty Hazardous Waste management program Department of Chemical Engineering College of Engineering Wayne State University Detroit Michigan All environmental education professionals agree that the practice of good communications is essential for the success of any program This book provides practical skills for this concern Ju Chou Associate Professor Graduate Institute of Environmental Education National Taiwan Normal University Taipei Taiwan
