The book showcases the creative development through the years with gorgeous never before seen concept art and weaves a rich history based on dozens of interviews with former Peanuts directors, animators, voice talent and layout artists as well as current industry folk. Filling a void in animation publishing, there is no other history or art book of the Peanuts specials; this volume celebrates five decades of the artistry and humor of Charles M. Schultz and the artists who reimagined the comic for the screen. *The Quilter's Catalog* Meg Cox, 2008-03-04 The Bee all and End all.
