WORKING WITH FAMILIES OF THE POOR. ,2003 **Working with Families of the Poor** Patricia Minuchin, Jorge Colapinto, Salvador Minuchin, 2007 Now in a substantially revised second edition this widely adopted text and practical guidebook presents the fundamentals of family based intervention with clients struggling with chronic poverty related crises and life stressors Grounded in Salvador Minuchin's influential systemic model and the extensive experience of all three highly regarded authors the book illustrates innovative ways for professionals within substance abuse foster care and mental health contexts to build collaboration with families and other helpers and to elicit families strengths The second edition features many new case examples and includes discussions of exemplary programs It also gives increased attention to key factors that make agencies effective and enable them to maintain a family focus over time *Working with Families of the Poor* Patricia Minuchin, Jorge Colapinto, Salvador Minuchin, 1998-07-22 This eagerly awaited volume draws upon the authors many years of experience in the inner city to provide vital guidance to therapists working with poor families While standard counseling models are often limited to individual persons and their problems this book emphasizes the importance of understanding individual needs within a larger family framework and considering the family itself within broader organizational and community contexts Weaving in numerous case histories and examples of practical interventions the authors demonstrate how their inventive approach can be used to draw out clients strengths and to make the most of limited social service resources Readers will learn new techniques to gather information reframe family assumptions handle conflict and explore alternative patterns of interaction In addition the authors show therapists how to increase the level of collaboration between poor families and the multiple agencies that provide assistance with foster care substance abuse counseling perinatal programs residential and psychiatric centers for children and home based services The Practitioner's Guide to Working with Families Margaret Bell, Kate Wilson, 2017-03-14 This book offers a clear and coherent guide to working with families for practitioners and students in social work health counselling and related professions It brings together recent thinking on the historical and contemporary constructions of the family in such a way as to provide a helpful framework for practitioners working in a variety of settings in the field It offers up to date information on political legislative and theoretical frameworks and it reviews and illustrates a wide range of approaches and practice skills for working with families with different problems in different contexts **Work and the Well-Being of Poor Families with**

Children Andrea L. Ziegert, Dennis H. Sullivan, 2022-09-02 A 2023 Choice Reviews Outstanding Academic Title This work assesses the possibilities and limitations of reducing poverty among families with children by increasing the work effort of the adults in those families Following a historical review of family poverty since 1995 the authors present several policy simulations including increased employment a higher minimum wage more generous tax credits a child allowance and reduced childcare or medical expenses Specific policy proposals including the proposals of the Biden Administration are assessed using four criteria reducing child poverty equitable treatment of the poorest groups promotion of self sufficiency and cost effectiveness The authors conclude that while no single policy is able to reduce family poverty by half while meeting the other criteria several combinations of policies have the potential to do so

Moving Working Families Forward Robert D. Cherry, Robert I. Lerman, 2011 Cherry and Lerman have written a compelling book that challenges the orthodoxies of both the political left and right and that promotes a set of policies to improve the economic status of lower to middle income working families All who care about the well being of working families will learn a great deal from their analysis Harry Holzer Professor of Public Policy Georgetown University Offers highly sophisticated proposals for helping working families advance in the wake of welfare reform Cherry and Lerman are very expert and they write very well Lawrence M Mead Professor of Politics and Public Policy New York University Even as our political system remains deeply divided between right and left there is a clear yearning for a more moderate third way that navigates an intermediate position to address the most pressing issues facing the United States today Moving Working Families Forward points to a Third Way between liberals and conservatives combining a commitment to government expenditures that enhance the incomes of working families while recognizing that concerns for program effectiveness individual responsibility and underutilization of market incentives are justified Robert Cherry and Robert Lerman provide the context to understand the distinctive qualities of Third Way policies focusing on seven areas that substantially affect working families immigration race and gender earnings disparities education housing strengthening partnerships and federal taxes Balancing empirical studies with voices of working class people they offer an important perspective on how public policies should be changed A timely approach Moving Working Families Forward makes policy recommendations that are both practical and transformative

Can Working Families Ever Win? Jody Heyman, 2002-07-17 Jody Heymann takes on the American belief that creating a better life for your children is simply a matter of working hard She argues that poor parents don't have a fair chance Because our nation fails to provide essential supports it is virtually impossible for these individuals to succeed at work while caring well for their children Because of the twin demands of work and family that poor parents face the health and education of their children suffer These kids often lack adequate preschool childcare or school age care which reduces their own potential to succeed Heymann shows how intergenerational poverty is perpetuated by outdated

labor policies and suggests what must be done to help families A wide range of thinkers respond The New Democracy Forum is a series of short paperback originals exploring creative solutions to our most urgent national concerns A civic treasure A truly good idea carried out with intelligence and panache Robert Pinsky *Self-Sufficiency for Poor Families* ,1994
Examines how housing social service policies affect beneficiaries particularly persons receiving public assistance when such beneficiaries gain employment experience a rise in income Also analyzes the extent to which existing laws regarding housing other programs create disincentives to upward income mobility Charts tables Also includes a 30 page report by the Nat Research Council Institute of Medicine New Findings on Children Families Economic Self Sufficiency Summary of a Research Briefing 1995
