Handbook For Beginners Albert Guthrie,2024-03-18 This handbook is designed to help all believers to have a better grasp of the Bible But it is also written with the Jewish people in mind Without the Jewish history there would be no Christianity John 1 11 declares that Jesus space reserved for photo came unto His own the Jewish people and His own received Him not they rejected Jesus as their Messiah As a result salvation has come to the Gentile nations Romans 11 11 The apostle Paul uses an olive tree as a metaphor in Romans 11 24 to explain an integral truth Paul in that text says that we as Gentiles who were considered wild by nature non Jews were grafted into the natural olive tree Jews along with the natural branches through Jesus Christ who is God s chosen One to reconcile both the Jews and the Gentiles into one covenant This metaphor speaks not only of two differing races of people uniting together in one covenant but it speaks to the fact that Judaism and Christianity are dependent upon each other One cannot do without the other They are divinely intertwined Hence we have the term Judeo Christian God intended that the Jewish nation was to be a prototype of the church body of Jesus Christ This handbook reveals that process of God s divine plan It will be obvious as you wade through the pages of this handbook the unfolding of the plan of God from ages past It will reveal how God has worked through obstacle after obstacle to produce a solution for all people regardless of religion race color culture or gender **Bowker's Complete Video Directory, 1998**
