Neal make excellent use of Lewis's literary criticism of other authors to show how he employed different varieties of imagination in his own works. Unseduced and Unshaken Rosalie De Rosset, 2012-08-01. You can't afford to live casually haphazardly. No matter your age, you were born into a plethora of expectations of what it means to be a woman. How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self-possession and dignity. We tend to live as divided and distracted selves, allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer lesser loves. This collection of essays is more than a call to modesty or chastity. It is a thoughtful provocation to speak well, read often, make choices that reflect the character of God, and even to establish a theology of play or leisure. Being intentional with your choices, cultivating your intellect, and taking seriously your voice determines not only what kind of person you are but also what kind of woman you will be. *Unseduced and Unshaken* raises the bar for young Christian women. It's a call for all Christian women to examine their personal faith presuppositions, deliberately choose a life of Biblical dignity, and to not be frightened to allow theology to inform our choices. Just Between Us, Summer 2013 issue. Narnian Virtues

Thomas Lickona, Mark A. Pike, 2021-11-25. In this engaging and practical book, Mark Pike and Thomas Lickona show how C. S. Lewis' wisdom for nurturing good character and his much-loved *Chronicles of Narnia* inspire us to virtue. Drawing upon the Judeo-Christian virtues of faith, hope, and love, and Narnian virtues such as courage, integrity, and wisdom, they present an approach to contemporary character education validated by recent research. An introduction to C. S. Lewis' thought on character and faith is followed by practical examples of how to use well-known passages from the *Narnia* novels as a stimulus for rich character development at home and in the classroom. **Beyond the Book** Bridget Carrington, 2014-01-06.

November 2012 saw the joint annual conference of the British branch of the International Board on Books for Young People (IBBY UK) and the MA course at the National Centre for Research in Children's Literature (NCRCL) at Roehampton University. The theme of the conference was the investigation of aspects of literature for children that were *Beyond the Book*. From woodcuts to e-books, children's literature has always lent itself to reinterpretation and expansion. In its early days, this was achieved through different forms of retelling through illustration and interactive illustration, pop-ups and flaps, and then through music, film, television, and stage adaptation. The contributors to the 2012 conference explored the variety of means by which we transform literature intended for children and celebrated the vibrant world of creativity that has sought and continues to seek different ways in which to engage young readers.
