The Warcraft: The Last Guardian Jeff Grubb, 2002-12-01 In the mist shrouded haze of the past long before the beginning of recorded time there stood the world of Azeroth Every kind of magical being strode the countryside among the tribes of man and all was at peace until the arrival of the demons and horrors of the Burning Legion and their baneful Lord Sargeras dark god of chaotic magic Now Dragons Dwarves Elves Goblins Humans and Orcs all vie for supremacy across the scattered kingdoms part of a grand malevolent scheme that will determine the fate of the world of The Guardians of Tirisfal a line of champions imbued with godlike powers each one through the ages charged with fighting a lonely secret war against the Burning Legion Medivh was fated from birth to become the greatest and most powerful of this noble order But from the beginning a darkness tainted his soul corrupting his innocence and turning to evil the powers that should have fought for good Torn by two destinies Medivh's struggle against the malice within him became one with the fate of Azeroth itself and changed the world forever THE LAST GUARDIAN An original tale of magic warfare and heroism based on the bestselling award winning electronic game from Blizzard Entertainment *The Warcraft: The Last Guardian* Jeff Grubb, 2002-12

Fantasy roman The Warcraft Civilization William Sims Bainbridge, 2012-09-21 A FASCINATING DEEP DIVE FOR FANS OF WoW Exploring the popular online role playing game World of Warcraft as a virtual prototype of the real human future World of Warcraft is more than a game There is no ultimate goal no winning hand no princess to be rescued WoW is an immersive virtual world in which characters must cope in a dangerous environment assume identities struggle to understand and communicate learn to use technology and compete for dwindling resources Beyond the fantasy and science fiction details as many have noted it's not entirely unlike today's world In The Warcraft Civilization sociologist William Sims Bainbridge goes further arguing that WoW can be seen not only as an allegory of today but also as a virtual prototype of tomorrow of a real human future in which tribe like groups will engage in combat over declining natural resources build temporary alliances on the basis of mutual self interest and seek a set of values that transcend the need for war What makes WoW an especially good place to look for insights about Western civilization Bainbridge says is that it bridges past and future It is founded on Western cultural tradition yet aimed toward the virtual worlds we could create in times to come World of Warcraft: Arthas Christie Golden, 2009-04-21 New York Times bestselling and award winning author Christie Golden brings Arthas the Lick King to life in the book World of Warcraft fans have been clamoring for Author Christie Golden does for Arthas what she once did for the Orc Lord Thrall in the bestselling Warcraft Lord of the Clans in another epic exploration of one of the key characters from the eleven million subscriber massively multiplayer online role playing game Arthas Rise of the Lick King reveals the true and thrilling story behind one of the Warcraft universe's most terrifying villains whose evil is legendary Starcraft: Ghost--Nova Blizzard Entertainment, Keith R. A. DeCandido, 2007-05-01 Four years after the end of the Brood War Emperor Arcturus Mengsk has rebuilt much of the Terran Dominion and consolidated a new military force

despite an ever present alien threat Within this boiling cauldron of strife and subversion a young woman known only as Nova shows the potential to become Mengsk s most lethal and promising Ghost operative Utilizing a combination of pure physical aptitude innate psychic power and advanced technology Nova can strike anywhere with the utmost stealth Like a phantom in the shadows she exists only as a myth to the enemies of the Terran Dominion Yet Nova wasn t born a killer She was once a privileged child of one of the Old Families of the Terran Confederacy but her life changed forever when a rebel militia murdered her family In her grief Nova unleashed her devastating psychic powers killing hundreds in a single terrible moment Now on the run through the slums of Tarsonis she is unable to trust anyone Pursued by a special agent tasked with hunting down rogue telepaths Nova must come to terms with both her burgeoning powers and her guilt before they consume her and destroy everything in her path
