movements which believed that the world was coming to an end shortly In 66 C E the Masada was seized by the Zealots and the Romans were on the march Josephus was appointed the commander of Galilee Josephus had to fight a defensive war against overwhelming force while refereeing internecine squabbles in the Jewish ranks In 67 C E Josephus and other rebels were cornered in a cave during the siege of Jotapata and took a suicide pact However Josephus survived and was taken hostage by the Romans led by Vespasian Josephus shrewdly reinterpreted the Messianic prophecies He predicted that Vespasian would become the ruler of the entire world Josephus joined the Romans for which he was branded a traitor He acted as consultant to the Romans and a go between with the revolutionaries Unable to convince the rebels to surrender Josephus ended up watching the second destruction of the Temple and the defeat of the Jewish nation His prophecy became true in 68 C E when Nero committed suicide and Vespasian became Ceasar As a result Josephus was freed he moved to Roman and became a Roman citizen taking the Vespasian family name Flavius Vespasian commissioned Josephus to write a history of the war which he finished in 78 C E the Jewish War His second major work the Antiquities of the Jews was completed in 93 C E He wrote Against Apion in about 96 100 C E and The Life of Josephus his autobiography about 100 He died shortly after Despite his ambivalent role Josephus was an eyewitness to history and his writings are considered authoritative These texts are key to understanding a pivotal point in world history which has tragic repercussions even to this day
