Parents, Tough Times Charlene C. Giannetti, Margaret Sagarese, 2010-06 The bestselling authors of The Roller Coaster Years and Parenting 911 draw deeply on the rich Catholic spiritual tradition in this guide for parents and children in crisis Catholic **The Quest**, 2001 [The Publishers Weekly](#), 1903 **The Prayers and Meditations of St. Anselm with the Proslogion** Anselm, 2006-06-29 Mostly written between 1070 and 1080 before he became Archbishop of Canterbury the prayers and meditations of Anselm of Aosta created a tradition of intimate intensely personal devotional works written in subtle and theologically daring prose While the Prayer to God is based on the Lord s Prayer the Prayer to Christ is inspired by ardent private emotion and other prayers invest saints with individual attributes with John the Baptist as the friend Peter as the shepherd and Mary Magdalene as the forgiving lover among many others The meditations include a searching exploration of the state of the soul and a lament on the loss of purity and the Proslogion discusses the mysteries of faith With their bright imagery beautiful language and highly original thought the works of Anselm have secured a lasting place in both religious and secular literature **Meeting of Religions and the Trinity** Gavin D'Costa, 2000-06-29 One of the most discussed topics of our time is Christianity s relation to other religions In this important new book one of Britain s leading contemporary theologians develops a sharp and penetrating critique of the pluralist position In the tradition of Alasdair MacIntyre and John Milbank D Costa shows that too often it masks a secularizing agenda traceable to the worst aspects of Enlightenment modernity Even by its own criteria pluralism does not succeed D Costa demonstrates this by exploring the meeting of the religions in its leading exponents from Christianity Judaism Hinduism and Buddhism He discovers the influence of Western modernist thought or else a veiled exclusivism not only in Hick Knitter Cohn Sherbok and Panikkar but even in Radhakrishnan and the Dalai Lama He then goes on to establish an alternative Trinitarian approach to interreligious prayer and tolerance drawing on recent discussions of other religions as vehicles of salvation The final section of the book represents the first major systematic theological study of interfaith prayer *Gathering Together* Rodney Wallace

Kennedy, Derek C. Hatch, 2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices Gathering Together links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship

The Practice of the Presence of God Martin Laird, Sheelah Treflé Hidden, 2016-11-29 Exploring the unity of the practice of prayer and the practice of theology this book draws together insights from world class theologians including Rowan Williams Andrew Louth Frances Young Margaret R Miles Sebastian Brock and Nichola Sakharov Offering glimpses of the prayer life and witness that undergirds theological endeavour some authors approach the topic in a deeply personal way while others express the unity of prayer and the theologian in a traditionally scholarly manner No matter what the denomination of the Christian theologian Greek or Russian Orthodox Roman Catholic Anglican Methodist authors demonstrate that the discipline of theology cannot properly be practiced apart from the prayer life of the theologian The prayer of the theologian shapes her or his approach to theology Whether it be preaching teaching writing or research the deep soundings of prayer inform and embrace all
