Kater, 2009-06-30 In modern times the recruitment of children into a political organization and ideology reached its boldest embodiment in the Hitler Youth founded in 1933 soon after the Nazi Party assumed power in Germany Determining that by age ten children's minds could be turned from play to politics the regime inducted nearly all German juveniles between the ages of ten and eighteen into its state run organization The result was a potent tool for bending young minds and hearts to the will of Adolf Hitler Baldur von Schirach headed a strict chain of command whose goal was to shift the adolescents sense of obedience from home and school to the racially defined Volk and the Third Reich Luring boys and girls into Hitler Youth ranks by offering them status uniforms and weekend hikes the Nazis turned campgrounds into premilitary training sites air guns into machine guns sing alongs into marching drills instruction into indoctrination and children into Nazis A few resisted for personal or political reasons but the overwhelming majority enlisted Drawing on original reports letters diaries and memoirs Michael H Kater traces the history of the Hitler Youth examining the means degree and impact of conversion and the subsequent fate of young recruits Millions of Hitler Youth joined the armed forces thousands gleefully participated in the subjugation of foreign peoples and the obliteration of racial aliens Although young they committed crimes against humanity for which they cannot escape judgment Their story stands as a harsh reminder of the moral bankruptcy of regimes that make children complicit in crimes of the state **Senior High Core Collection** Raymond W. Hitler's Housewives Tim Heath,2020-03-30 The meteoric rise of Adolf Hitler and the Nazi Party cowed the masses into a sense of false utopia During Hitler s 1932 election campaign over half those who voted for Hitler were women Germany s women had witnessed the anarchy of the post First World War years and the chaos brought about by the rival political gangs brawling on their streets When Hitler came to power there was at last a ray of hope that this man of the people would restore not only political stability to Germany but prosperity to its people As reforms were set in place Hitler encouraged women to step aside from their jobs and allow men to take their place As the guardian of the home the women of Hitler s Germany were pinned as the very foundation for a future thousand year Reich Not every female in Nazi Germany readily embraced the principle of living in a society where two distinct worlds existed however with the outbreak of the Second World War Germany s women would soon find themselves on the frontline Ultimately Hitler s housewives experienced mixed fortunes throughout the years of the Second World War Those whose loved ones went off to war never to return those who lost children not only to the influences of the Hitler Youth but the Allied bombing those who sought comfort in the arms of other young men and those who would serve above and beyond of exemplary on the German home front Their stories form intimate and intricately woven tales of life love joy fear and death Hitler s Housewives German Women on the Home Front is not only an essential document towards better understanding one of the twentieth century s greatest tragedies where the women became an inextricable link but also the role played by Germany s women on the home front which ultimately became blurred within the horrors of total war This is their story in their own words told for the first time **Among Enemies: a Young Woman's Fight for Survival in Nazi Germany** Melanie Wilson,2010-04-08 This first person narrative tells the true story of Marguerite Kirchner whose multicultural family was living in Germany when WWII began We have remained as true as possible to Marguerites account which reveals to readers the cruelty of war and the innocence of past generations As a child

her family lived a luxurious life Her mother was a French aristocrat and her father a wealthy Austrian diplomat and so her story begins Always defiant Margie was forced into a labor camp for dissident teenagers She attended the University of Berlin during the Berlin bombings became a young teacher in the Polish war zone was captured as a prisoner of war and escaped and after the war worked for the Allied Forces helping repatriate those who had been displaced Her story demonstrates cunning and great courage She went from affluence to poverty and survived the war on her wits alone dependent on only herself and the skills shed acquired from traveling with her family Only after the war does she reflect on what her single minded struggle for survival cost her and a new journey of a very different kind begins **The Hitler**

Youth, Gristle for the Reich's Mill David G Williams,2014-11-21 How was it an entire cultured nation allowed their children to be raised by a political party with an ideology of hate Stories of the fanatical bravery of the young men and children of the Reich on the battlefields of Europe are abundant It is easy to admire the courage of the Hitler Youth as they battled relentlessly against the Allied and Soviet armies But when one looks at it in the cold light of day one cannot fail to be overwhelmed with the senseless loss of life Millions butchered for an old man s nightmare vision of a world he hated and wanted to see burn His failure to face the facts combined with the Allies demand for unconditional surrender resulted in an entire generation consumed to the abyss The Wehrmacht the Hitler Youth the Volkssturm and the children were all in the end just gristle for the Reich s mill This book covers the whole story of a generation of young Germans from the rebirth of a Nation to its consignment to the abyss and their role in this calamity Includes many photos **STATIONS ALONG THE**
