Over half a century ago a leading commentator suggested that Scotland was very unusual in being a country which was in some sense at least a nation but in no sense a state He asked whether something so anomalous could continue to exist in the modern world The Scottish Question considers how Scotland has retained its sense of self and how the country has changed against a backdrop of fundamental changes in society economy and the role of the state over the course of the union The Scottish Question has been a shifting mix of linked issues and concerns including national identity Scotland s constitutional status and structures of government Scotland s distinctive party politics and everyday public policy In this volume James Mitchell explores how these issues have interacted against a backdrop of these changes He concludes that while the independence referendum may prove an important event there can be no definitive answer to the Scottish Question The Scottish Question offers a fresh interpretation of what has made Scotland distinctive and how this changed over time drawing on an array of primary and secondary sources It challenges a number of myths including how radical Scottish politics has been and suggests that an oppositional political culture was one of the most distinguishing features of Scottish politics in the twentieth century A Scottish lobby consisting of public and private bodies became adept in making the case for more resources from the Treasury without facing up to some of Scotland s most deep rooted problems

Caleb's List Kellan MacInnes,2013-07-22 Shortlisted for the 2013 Saltire Society Scottish First Book award Edinburgh 1898 On the cusp of the modern age Caleb George Cash mountaineer geographer antiquarian and teacher stands at the rocky summit of Arthur s Seat This is the story of Caleb me and the Scottish mountains visible from Arthur s Seat Somehow the Cashes or the Calebs didn t sound right so I have called the hills on Caleb s list The Arthurs More than just a climbing book this is the story of a survivor Caleb s List is a beautifully descriptive account in which Kellan MacInnes intertwines his own personal struggle with HIV with the life story of Victorian mountaineer Caleb George Cash beginning with the moment in 1898 when Caleb stood at

the top of Arthur's Seat in Edinburgh and made a list of 20 mountains visible from its summit from Ben Lomond in the west to Lochnagar in the east MacInnes stumbled upon this long forgotten list of hills now dubbed the Arthurs and in this book he sets a new hillwalking challenge climbing the Arthurs Drawing on history literature and personal experience MacInnes offers both practical and emotional insight into climbing these hills in an account that is a must read for hillwalkers visitors to Edinburgh and lovers of Scotland all over the world This is not just a book about hillwalking and history At its heart this is powerful landscape writing that explores the strong bond between a person and the hills they love The author writes with skill and considerable authority ALEX RODDIE author Caleb Cash himself is an important if neglected figure in the history of the Scottish outdoors and the author's personal story gives the book an emotional power unusual in a guidebook An excellent book CHRIS TOWNSHEND author A triumphant debut THE GREAT OUTDOORS A tribute to the healing power of the Scottish landscape and to survival against the odds THE SCOTSMAN **Renewing Britain's Railways: Scotland** Gordon D.
