Wright Doyle, 2010-04-01 Carl F H Henry has been called the Dean of evangelical theologians and the premier theological representative of the evangelical movement in the last half of the twentieth century When his magnum opus *God Revelation and Authority* first appeared it was hailed as the most important work of evangelical theology in modern times Carl Henry *Theologian for All Seasons* not only introduces contemporary readers to Carl Henry the man but also demonstrates that his theology possesses striking relevance for our own situation We are introduced to his place in the complex mosaic of twentieth century theology his simple but sophisticated doctrine of revelation and his value for current discussions of a wide variety of issues Henry's reflections on hermeneutics philosophy and faith the nature of revelation and of God the social implications of Christianity and many other vital topics turn out to be as pertinent now as when they were written Not everyone agrees with Carl Henry's approach of course so this book features an extensive dialogue between Henry and his

Olson,2016-04-01 In this second edition of Roger E Olson s classic work he thematically traces the contours of Christian belief down through the ages revealing a pattern of both unity and diversity He finds a consensus of teaching that is both unitive and able to incorporate a faithful diversity when not forced into the molds of false either or alternatives **New Perspectives for Evangelical Theology** Tom Greggs,2009-12-04 This title addresses some of the major themes within evangelical theology including election the Holy Spirit eschatology and sanctification It examines the Bible and the Church and has chapters on worship and the sacraments *The Compassion-Based Workbook for Christian Clients* Joshua J. Campbell,Tony H. Espinosa,Martin H. Fuller,Mitchell J. Kennard,Joel I. Oladele,John-Paul Petrash,Kerry S. Robichaux,2023-07-03 This volume is the second of a two part work that evaluates the teaching of justification by faith from the early church to modern times in light of the Scriptures and the ministry of Watchman Nee and Witness Lee Part 2 continues the evaluation begun in part 1 by examining the teaching of justification by faith from the mid sixteenth century to

the twenty first century Throughout these centuries numerous accounts of this foundational Christian truth have been offered and many controversies have been and continue to be fought Beginning with the Lutheran tradition in the opening chapter the authors identify the contributions and shortcomings of each of the major Christian traditions While many of the Christian traditions have contributed some light to the church's understanding of justification by faith the authors contend that most of them have fallen short of the truth that in justification God approves the believers solely on account of their union with Christ as righteousness through faith

**Prison Religion** Winnifred Fallers Sullivan, 2011-09-26 More than the citizens of most countries Americans are either religious or in jail or both But what does it mean when imprisonment and evangelization actually go hand in hand or at least appear to What do faith based prison programs mean for the constitutional separation of church and state particularly when prisoners who participate get special privileges In *Prison Religion* law and religion scholar Winnifred Fallers Sullivan takes up these and other important questions through a close examination of a 2005 lawsuit challenging the constitutionality of a faith based residential rehabilitation program in an Iowa state prison *Americans United for the Separation of Church and State v Prison Fellowship Ministries* a trial in which Sullivan served as an expert witness centered on the constitutionality of allowing religious organizations to operate programs in state run facilities Using the trial as a case study Sullivan argues that separation of church and state is no longer possible Religious authority has shifted from institutions to individuals making it difficult to define religion let alone disentangle it from the state *Prison Religion* casts new light on church state law the debate over government funded faith based programs and the predicament of prisoners who have precious little choice about what kind of rehabilitation they receive if they are offered any at all

**Myths and Mistakes in New Testament Textual Criticism** Elijah Hixson, Peter J. Gurry, 2019-11-05 A renewed interest in textual criticism has created an unfortunate proliferation of myths mistakes and misinformation about this technical area of biblical studies Elijah Hixson and Peter Gurry along with a team of New Testament textual critics offer up to date accurate information on the history and current state of the New Testament text that will serve apologists and offer a self corrective to evangelical excesses

**Knowing God as an Evangelical** Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology there are several authoritative approaches Yet the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon In this book Dan Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism Specifically he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance Petre then uses a canonical epistemological methodology to outline a biblically based framework In exploring how the Scripture conceptualizes the formation of theological knowledge the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies The resulting epistemological implications outline a minimal epistemological model derived from

the biblical canon Using this vantage point the author assesses the contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement
