The Whisperers Private Life In Stalins Russia

Wallace L. Daniel

The Whisperers Private Life In Stalins Russia:

The Whisperers Orlando Figes, 2007-11-13 Moving from the Revolution of 1917 to the death of Stalin and beyond Orlando Figes re creates the moral maze in which Russians found themselves where one wrong turn could destroy a family or perversely end up saving it He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations he examines the Communist faithful who often rationalized even their own arrests as a case of mistaken identity and he casts a humanizing light on informers demonstrating how in a repressive system anyone could easily become a collaborator **BOOK JACKET** *The Whisperers* Orlando Figes, 2007 Drawing on letters memoirs conversations this work

tells the story of how Russians tried to endure life under Stalin conveying the reality of their terrible choices It recreates the sort of maze in which Russians found themselves where an unwitting wrong turn could either destroy a family or perversely later save it **Stories of the Soviet Experience** Irina Paperno, 2011-01-15 Beginning with glasnost in the late 1980s and continuing into the present scores of personal accounts of life under Soviet rule written throughout its history have been published in Russia marking the end of an epoch In a major new work on private life and personal writings Irina Paperno explores this massive outpouring of human documents to uncover common themes cultural trends and literary forms The book argues that diverse as they are these narratives memoirs diaries notes blogs assert the historical significance of intimate lives shaped by catastrophic political forces especially the Terror under Stalin and World War II Moreover these published personal documents create a community where those who lived through the Soviet era can gain access to the inner recesses of one another's lives This community strives to forge a link to the tradition of Russia's nineteenth century intelligentsia thus the Russian intelligentsia emerges as an additional implicit subject of this book The book surveys hundreds of personal accounts and focuses on two in particular chosen for their exceptional quality scope and emotional power Notes about Anna Akhmatova is the diary Lidiia Chukovskaia a professional editor kept to document the day to day life of her friend the great Russian poet Anna Akhmatova Evgeniia Kiseleva a barely literate former peasant kept records in notebooks with the thought of crafting a movie script from the story of her life The striking parallels and contrasts between these two documents demonstrate how the Soviet state and the idea of history shaped very different lives and very different life stories The book also analyzes dreams most of them terror dreams recounted in the diaries and memoirs of authors ranging from a peasant to well known writers a Party leader and Stalin himself History Paperno shows invaded their dreams too With a sure grasp of Russian cultural history great sensitivity to the men and women who wrote and a command of European and American scholarship on life writing Paperno places diaries and memoirs of the Soviet experience in a rich historical and conceptual frame An important and lasting contribution to the history of Russian culture at the end of an epoch **Stories of the Soviet Experience** also illuminates the general logic and specific uses of personal narratives **The Private World of Soviet Scientists from Stalin to Gorbachev** Maria Rogacheva, 2017-07-10 A major new contribution to understanding the

transition of Soviet society from Stalinism to a more humane model of socialism **Soviet Scientists Remember** Maria A. Rogacheva, 2019-11-21 Maria Rogacheva's *Soviet Scientists Remember* gives voice to one of the most prominent and educated groups in the late USSR: scientists. Lifting the veil of secrecy that covered scientists during the Cold War, this book brings together six first-person accounts of residents of the formerly closed scientific town of Chernogolovka. In their interviews, scientists talk about growing up in Stalin's Russia and surviving the Great Patriotic War, their decision to join the scientific intelligentsia, and the outstanding opportunities that were available to them in the heyday of the Cold War. They reflect on their daily lives in a privileged scientific community and their relationship with the Soviet state and the Communist Party. *Soviet Scientists Remember* sheds light on how ordinary people experienced the transformation of Soviet society after Stalin's death, as well as its tumultuous transition to the post-Soviet era in the 1990s.

The Unsung Hero of the Russian Avant-Garde: The Life and Times of Nikolay Punin Natalia Murray, 2012-06-27 This book is the first biography of Nikolay Punin (1888-1953). One of the most prominent art critics of the avant-garde in 1919, Punin was the Commissar of the Hermitage and Russian Museums; he was lecturing at the Academy of Arts and at the State University in Petrograd and subsequently Leningrad. He was the right hand of Lunacharsky and the head of the Petrograd branch of the Visual Arts Department of Narkompros. From 1913 till 1938, Punin worked at the Russian Museum and organized several major exhibitions of Russian art. Yet his name is not widely known in the West, primarily because his file languished in the KGB archives since he died in 1953, partly because his grave in the Gulag where he died is marked only by a number and partly because his own reputation became submerged under that of his lover, poet and writer Anna Akhmatova. Through the life and inheritance of Nikolay Punin, this book will examine the very phenomenon of the Russian avant-garde and its fate after the October Revolution, as well as the artistic trends and cultural policies which dominated Soviet art in the 1930-1950s. For an interview with the author, see *The Voice of Russia*, July 19th 2012, [click here](#).

The Readers of Novyi Mir Denis Kozlov, 2013-06-01 In the Thaw following Stalin's death, probing conversations about the nation's violent past took place in the literary journal *Novyi mir*. New World Readers' letters reveal that discussion of the Terror was central to intellectual and political life during the USSR's last decades. Denis Kozlov shows how minds change even in a closed society.

[Russia and The Commonwealth of Independent States 2013](#) M. Wesley Shoemaker, 2013-08-30 *Russia and the Commonwealth of Independent States 2011* is a volume in *The World Today Series*. Published and updated annually, this series provides both a short historical treatment and an up-to-date look at the various countries of the entire globe. *Russia and the Commonwealth of Independent States* deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992. The book focuses strongly on recent economic and political developments, with shorter sections dealing with foreign policy, the military, religion, education, and specific cultural elements that help to define each republic and differentiate one from the other. Approximately one-third of the book is devoted to Russia, with shorter sections

dealing with Ukraine Belarus Moldova Armenia Azerbaijan Georgia Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan There is also a section dealing with how the Commonwealth of Independent States came into being and how it has evolved since 1992 *Russia and The Commonwealth of Independent States 2014* M. Wesley Shoemaker, 2014-08-07 *Russia and the Commonwealth of Independent States 2013* is a volume in The World Today Series Published and updated annually this series provides both a short historical treatment and an up to date look at the various countries of the entire globe *Russia and the Commonwealth of Independent States* deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992 The book focuses strongly on recent economic and political developments with shorter sections dealing with foreign policy the military religion education and specific cultural elements that help to define each republic and differentiate one from the other Approximately one third of the book is devoted to Russia with shorter sections dealing with Ukraine Belarus Moldova Armenia Azerbaijan Georgia Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan There is also a section dealing with how the Commonwealth of Independent States came into being and how it has evolved since 1992 **Stalin as Warlord** Alfred J. Rieber, 2022-01-01 An authoritative account of Stalin as a wartime leader showing how his paradoxical policies of mass mobilization and repression affected all aspects of Soviet society A superb new history Rieber analyses with clarity the impact of the war Wendy Slater Times Literary Supplement The Second World War was the defining moment in the history of the Soviet Union With Stalin at the helm it emerged victorious at a huge economic and human cost But even before the fighting had ended Stalin began to turn against the architects of success In this original and comprehensive study Alfred J Rieber examines Stalin as a wartime leader arguing that his policies were profoundly paradoxical In preparation for the war Stalin mobilized the whole of Soviet society in pursuit of his military goals and intensified the centralization of his power Yet at the same time his use of terror weakened the forces vital to the defense of the country In his efforts to rebuild the country after the devastating losses and destruction he suppressed groups that had contributed immeasurably to victory His steady ruthless leadership cultivated a legacy that was to burden the Soviet Union and Russia to the present day

Russia and Eurasia 2016-2017 Brent Hierman, 2016-08-25 Published and updated annually *Russia and Eurasia* deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992 The text focuses strongly on recent economic and political developments with shorter sections dealing with foreign policy the military religion education and specific cultural elements that help to define each republic and differentiate one from the other Approximately one third of the book is devoted to Russia but also includes sections on Ukraine Belarus Moldova Armenia Azerbaijan Georgia Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan How the Commonwealth of Independent States came into being and how it has evolved since 1992 is also discussed The combination of factual accuracy and up to date detail along with its informed projections make this an

outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students **Russia and Eurasia 2017-2018** Brent Hierman, 2017-09-01 Published and updated annually Russia and Eurasia deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992 The text focuses strongly on recent economic and political developments with shorter sections dealing with foreign policy the military religion education and specific cultural elements that help to define each republic and differentiate one from the other Approximately one third of the book is devoted to Russia but also includes sections on Ukraine Belarus Moldova Armenia Azerbaijan Georgia Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan How the Commonwealth of Independent States came into being and how it has evolved since 1992 is also discussed The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students **Russia and Eurasia 2018-2019** Brent Hierman, 2018-09-30 Published and updated annually Russia and Eurasia deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992 The text focuses strongly on recent economic and political developments with shorter sections dealing with foreign policy the military religion education and specific cultural elements that help to define each republic and differentiate one from the other Approximately one third of the book is devoted to Russia but also includes sections on Ukraine Belarus Moldova Armenia Azerbaijan Georgia Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan How the Commonwealth of Independent States came into being and how it has evolved since 1992 is also discussed The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students *State and Society in Communist Czechoslovakia* Roman Krakovsky, 2018-05-30 Across central and eastern Europe after World War II the newly established communist regimes promised a drastic social revolution that would transform the world at great pace and pave the way to a socialist future Although many aspects of this utopian project are well known such as fast paced industrialisation collectivisation and urbanisation the regimes even sought to transform the ways in which their citizens interacted with each other and the world around them Using a unique analytical model based on an amalgam of anthropology sociology history and extensive archival research award winning scholar Roman Krakovsky here considers the Czechoslovakian attempt to reinvent the world time and space included in this all encompassing way Ranging from WWII to the fall of the Berlin Wall his innovative analysis variously considers the impact of Stakhanovism the impossible to achieve production targets intended to assert socialism's future potential the attempt to replace Sunday's Christian attributes with socialist ones and the profound changes brought about to the public and private spheres including the culture of informing and the ways this was

circumvented Across a wide range of case studies Krakovsky demonstrates both the far reaching extent of the communist vision and the inherent flaws and contradictions that gradually destabilised it This in depth perspective is vital reading for all scholars of twentieth century history and politics *Being Soviet* Timothy Johnston,2011-08-18 *Being Soviet* adopts a refreshing and innovative approach to the crucial years between 1939 and 1953 in the USSR It examines how the language of Soviet identity evolved in this period and how ordinary citizens responded to that shift **Russia's Uncommon Prophet** Wallace L. Daniel,2016-04-20 This lucidly written biography of Aleksandr Men examines the familial and social context from which Men developed as a Russian Orthodox priest Wallace Daniel presents a different picture of Russia and the Orthodox Church than the stereotypes found in much of the popular literature Men offered an alternative to the prescribed ways of thinking imposed by the state and the church Growing up during the darkest most oppressive years in the history of the former Soviet Union he became a parish priest who eschewed fear who followed Christ s command to love thy neighbor as thyself and who attracted large diverse groups of people in Russian society How he accomplished those tasks and with what ultimate results are the main themes of this story Conflict and controversy marked every stage of Men s priesthood His parish in the vicinity of Moscow attracted the attention of the KGB especially as it became a haven for members of the intelligentsia He endured repeated attacks from ultraconservative anti Semitic circles inside the Orthodox Church Fr Men represented the spiritual vision of an open non authoritarian Christianity and his lectures were extremely popular He was murdered on September 9 1990 For years his work was unavailable in most church bookstores in Russia and his teachings were excoriated by some both within and outside the church But his books continue to offer hope to many throughout the world they have sold millions of copies and are testimony to his continuing relevance and enduring significance This important biography will appeal to scholars and general readers interested in religion politics and global affairs [Russia and Eurasia 2024-2025](#) Navruz Nebakhtshoev,2024-10-25 The World Today Series Russia and Eurasia deals with twelve sovereign states that became independent following the collapse of the Soviet Union in December 1991 Approximately one third of the book is devoted to Russia The remainder of the book is comprised of separate chapters on Armenia Azerbaijan Belarus Georgia Kazakhstan Kyrgyzstan Moldova Tajikistan Turkmenistan Ukraine and Uzbekistan The text focuses heavily on recent economic and political developments within these twelve states Each country chapter offers descriptions and overviews of the respective governmental institutions key leaders civil society dynamics and economic conditions within each state It supplements this focus with shorter sections dealing with historical developments demographics foreign policy and cultural elements Each chapter concludes with brief projections of future developments within each state The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for students researchers practitioners in international development media professionals government officials and potential investors

Waiting at the Prison Gate Judith Pallott,Elena Katz,2016-11-29 The Russian Federation has one of the largest prison

populations in the world Women in particular are profoundly affected by the imprisonment of a family member Families and Punishment in Russia details the experiences of these women be they wives mothers girlfriends daughters who as relatives of Russia s three quarters of a million prisoners are the invisible victims of the country s harsh penal policy A pioneering work that offers a unique lens through which various aspects of life in twenty first century Russia can be observed the workings of criminal sub cultures societal attitudes to parenthood marriage and marital fidelity young women s quests for a husband nostalgia for the Soviet period state strategies towards dealing with political opponents and the social construction of gender roles

The Estate Origins of Democracy in Russia Tomila V. Lankina,2021-12-16 A devastating challenge to the idea of communism as a great leveller this extraordinarily original rigorous and ambitious book debunks Marxism inspired accounts of its equalitarian consequences It is the first study systematically to link the genesis of the bourgeoisie cum middle class Imperial Soviet and post communist to Tzarist estate institutions which distinguished between nobility clergy the urban merchants and meshchane and peasants It demonstrates how the pre communist bourgeoisie particularly the merchant and urban commercial strata but also the high human capital aristocracy and clergy survived and adapted in Soviet Russia Under both Tzarism and communism the estate system engendered an educated autonomous bourgeoisie and professional class along with an oppositional public sphere and persistent social cleavages that continue to plague democratic consensus This book also shows how the middle class conventionally bracketed under one generic umbrella is often two pronged in nature one originating among the educated estates of feudal orders and the other fabricated as part of state induced modernization
