Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

Guilty Series Laura Lee Guhrke, 2014-08-12 Get four romances in bestselling author Laura Lee Guhrke's Seduction Series as one e-book: *Guilty Pleasures*. One of Daphne Wade's guilty pleasures is to watch the Duke of Tremore as he works shirtless on the excavation site of his ducal estate. Anthony Courtland is by far the most exciting and handsome man she has ever known, and she dreams of one day being able to speak with him without getting tongue-tied. Anthony meanwhile only sees Daphne as a hard worker on his excavation team. He considers her a plain young lady and says so in a careless remark to a friend, unaware that Daphne is outside the library door, her heart shattering to pieces. So Daphne decides she will not be so silly any longer. She begins to be tutored in the social graces, forcing Anthony to see the beauty who has been right in front of his eyes.

Every Kiss Dylan Moore is slowly going insane. It has been five years since the accident that took away everything he held dear. Five years since he felt anything other than despair and loss. But at a ball, he easily sees through the disguise of a young woman posing as a male musician. But unlike other females he has encountered, she refuses to succumb to his charms and leaves him wanting more. But another surprise awaits Dylan that night: for upon his return home, he is informed of a visitor, eight-year-old Isabel, his daughter. Grace Chevel knows all about Dylan Moore, an arrogant fellow with a wicked reputation who seems to be squandering his wealth while someone like her struggles to put food in her belly. She refuses to be one of Dylan's conquests, but when he proposes she become a governess to his new found daughter, she can't resist. And now Dylan has a thing or two to learn when it comes to women, because both Grace and Isabel are about to wreak sweet havoc on his life as the wall around Dylan's heart comes crumbling down with the power of love.

The Marriage Bed Everyone in society knows that the marriage of Lord and Lady Hammond is an unhappy one. Everyone knows they have barely spoken to one another in over nine years. But what no one in society knows are the reasons why Lady

Viola Courtland was a romantic and impulsive young girl when she fell instantly in love with the handsome and dashing Viscount Hammond. Unbeknownst to Viola, John Hammond had already given his heart to the only woman he would ever love, his cousin's wife, but he was in dire financial straits and desperately needed to marry a wealthy heiress. In Viola, he thought he had found the perfect woman: beautiful and rich with a sweet nature. But Viola was neither practical nor sensible when it came to marriage; for she fully expected her husband to love her and was determined to settle for nothing less. Soon, however, John's secret was unwittingly revealed, but by then they were married, and it was too late. Until one day John finally came to his senses and prayed it wasn't too late to win back the love of his very own wife.

She's No Princess: A Royal Pain. The illegitimate daughter of a prince and a notorious courtesan, Lucia has been confined to schools and convents for most of her life. But that hasn't stopped her from causing one scandal after another. Exasperated, her royal father decides that his exquisite hellion of a daughter must be married immediately. And Sir Ian Moore, Britain's most proper diplomat, is the perfect man to choose her a groom. Diplomacy, not matchmaking, is Ian's forte, but he vows to get Lucia married off as soon as possible so that he may return to his real duties. Yet despite an abundance of very eager, worthwhile candidates, none is a match for Lucia's spirit and fire. And the more time Ian spends with the infuriating beauty, the more reluctant he is to marry her off. Could it be that he has already found Lucia, the perfect husband, and it is Ian himself?

William Beckett, Marquess of Northam, possesses the reputation of a rake, but is secretly a romantic. Spurned at sixteen and knowing his sister was victimized by Society, he uses music and poetry to fill the void in his soul.
