Forgiveness, Reconciliation, and Moral Courage Robert L. Browning, Roy A. Reed, 2004 This is a print on demand book and is therefore non returnable This series contributes to the growing discipline of practical theology by providing frontline scholarship on major topics in the field with an emphasis on the emerging international discussion Written by expert scholars known worldwide these volumes will be of interest to pastors students of theology and those working in the allied fields of sociology psychology cultural studies social work and medicine According to the authors of this powerfully reasoned book only a serious commitment to the Christian ideas of forgiveness and reconciliation can meet the needs of today s troubled world and the church must take the lead in this process Partly a survey of existing attitudes and partly a how to manual for developing an active public church this book highlights the importance of forgiveness and reconciliation in both congregational life and society and it traces out the intricacies of making them happen After discussing common views of human nature and exploring the concepts of forgiveness and reconciliation as found in Scripture and church tradition Robert Browning and Roy Reed put forth an innovative four pronged approach integrating recent scientific studies of forgiveness with bold theologically grounded ministry proposals

Worship Old and New Robert E. Webber, 2009-12-15 A reexamination of the actual practice of worship that goes beyond the merely academic to provide a practical perspective through the eyes of the worship leader and the congregation The most effective approach to worship is one that blends historical and traditional practices with contemporary elements Worship Old and New is a scholarly up to date and thought provoking resource for anyone serious about exploring worship and how to bring about a worship renewal in the church Now reformatted and updated for an easier more logical approach to worship theology this revised edition is divided into four major sections

addressing The biblical foundation of worship found in the Old and New Testaments as well as the early Christian movement The biblical theology of worship how worship is an enactment of the Gospel A brief history of worship from ancient and medieval to twentieth century renewal An overview of how worship is practiced from content and structure to the role of music and art New information is incorporated into each section to give you a better grasp of the biblical themes of worship a deeper understanding of Old Testament customs and a solid grounding in modern day renewal movements This book is ideal for ministerial classroom and congregational settings

A Sourcebook about Music Alan J. Hommerding, 1997 The Sourcebook series of anthologies gathers prose and poetry hymns and prayers from various times and traditions all centered on a particular theme from the seasons of the church year to the foundational moments in the life of a Christian Each collection offers a treasury of wisdom for use in homilies prayer services and personal meditation

Christianity in a Time of Climate Change Kristen Poole, 2020-04-17 What does climate change have to do with religion and spirituality Even though a changing environment will have a dire impact on human populations affecting everything from food supply to health to housing the vast majority of Americans do not consider climate change a moral or a religious issue Yet the damage of climate change a phenomenon to which we all contribute through our collective carbon emissions presents an unprecedented ethical problem one that touches a foundational moral principle of Christianity Jesus s dictate to love the neighbor This care for the neighbor stretches across time as well as space We are called to care for the neighbors of the future as well as those of the present How can we connect the ethical considerations of climate change the knowledge that our actions directly or indirectly cause harm to others to our individual and collective spiritual practice Christianity in a Time of Climate Change offers a series of reflective essays that consider the Christian ethics of climate change and suggest ways to fold the neighbors of the future into our spiritual lives as an impetus to meaningful personal social and ultimately environmental transformations
