Sun Slower, Sun Faster Meriol Trevor,2004 This is an adventurous story with a difference it is soon after World War II but Cecil short for Cecilia and her cousin Rickie are thrown into a series of adventures that have little to do with the England that they know Inexplicably they and sometimes their eccentric and interesting tutor Dominic find themselves in another time usually right in the middle of a dramatic if not harrowing moment Every dip into time takes them farther back and each time they experience another chapter of the Church's history and teachings At once fun and frightening these escapades into the past take on deeper and deeper significance Each of these three Cecil Rickie Dominic are faced with things from their own pasts which touch deeply upon who they are in the present and who they will choose to be in the uncertain but tantalizing future They have much to sort out as history especially the history of the Christian Faith comes unexpectedly alive
