

THE WORD ON THE STREET

Homeless Men in Las Vegas

Kurt Borchard

The Word On The Street Homeless Men In Las Vegas

Laura Huey

The Word On The Street Homeless Men In Las Vegas:

The Word On The Street Kurt Borchard, 2005-03-01 Just beyond Las Vegas's neon and fantasy live thousands of homeless people most of them men To the millions of visitors who come to Las Vegas each year to enjoy its gambling and entertainment the city's homeless people are largely invisible segregated from tourist areas because it's good business Now through candid discussions with homeless men analysis of news reports and years of fieldwork Kurt Borchard reveals the lives and desperation of men without shelter in Las Vegas Borchard's account offers a graphic disturbing and profoundly moving picture of life on Las Vegas's streets depicting the strategies that homeless men employ in order to survive from the search for a safe place to sleep at night to the challenges of finding food maintaining personal hygiene and finding an acceptable place to rest during a long day on the street That such misery and desperation exist in the midst of Las Vegas's hedonistic tourist economy and booming urban development is a cruel irony according to the author and it threatens the city's future as a prime tourist destination The book will be of interest to social workers sociologists anthropologists politicians and all those concerned about changing the misery on the street

Homeless in Las Vegas Kurt Borchard, 2011-04-28 The homeless men and women represented in this book speak candidly about their plight its origins and the many obstacles to escaping it They discuss the unique challenges and opportunities that Las Vegas's focus on tourism indulgence and diversion offers its homeless residents This compelling and emotionally charged ethnography counters many of the stereotypes of homeless men and women revealing the remarkable diversity of their circumstances It also offers their perspectives on social services and civic attitudes toward homelessness

Everyday Las Vegas Rex J. Rowley, 2013-04-01 Every year more than thirty five million people from all over the world visit Las Vegas only two million call the city home Everyday Las Vegas takes a close look at the lives of those who live in a place the rest of the world considers exotic even decadent Using broad research including interviews with more than one hundred Las Vegans Rex Rowley who grew up in Las Vegas examines everyday life in a place that markets itself as an escape from mundane reality Rowley considers such topics as why people move to Las Vegas the nature of their work and personal lives the impact of growth and rapid change and interaction with the overwhelmingly touristic side of the city He also considers the benefits and perils of living in a nonstop twenty four hour city rich in entertainment options and easy access to gambling drugs and other addictions His examination includes the previously unstudied role of neighborhood casinos patronized by locals rather than tourists and the impact that a very mobile population has on schools churches and community life Rowley considers the very different ways people perceive a place as insiders or outsiders a dichotomy that arises when tourism is a mainstay of the local economy His work offers insights into what Las Vegas can teach us about other cities and American culture in general It also contributes to our understanding of how people relate to places and how the personality of a place influences the lives of people who live there

Nevada Michael S. Green, 2015-03-23 Nevada A History of the Silver State has been named a CHOICE Outstanding Title Michael S

Green a leading Nevada historian provides a detailed survey of the Silver State's past from the arrival of the early European explorers to the predominance of mining in the 1800s to the rise of world class tourism in the twentieth century and to more recent attempts to diversify the economy. Of the numerous themes central to Green's analysis of Nevada's history, luck plays a significant role in the state's growth. The miners and gamblers who first visited the state all bet on luck. Today the biggest contributor to Nevada's tourist economy, gaming, still relies on that same belief in luck. Nevada's financial system has generally been based on a one industry economy, first mining and more recently gaming. Green delves deeply into the limitations of this structure while also exploring the theme of exploitation of the land and the overuse of the state's natural resources. Green covers many more aspects of the Silver State's narrative including the dominance of one region of the state over another, political forces and corruption, and the citizens' often tumultuous relationship with the federal government. The book will appeal to scholars, students, and other readers interested in Nevada history.

Vegas Brews Michael Ian Borer, 2019-10-22 An inside look at how craft beer makers and IPA devotees come together to brew, taste, and enjoy fine ale while also building a sense of community in Las Vegas. Equally reviled and revered as Sin City, Las Vegas is both exceptional and emblematic of contemporary American cultural practices and tastes. Michael Ian Borer takes us inside the burgeoning Las Vegas craft beer scene to witness how its adherents use beer to create and foster not just a local culture but a local's culture. Through compelling, detailed first-hand accounts and interviews, *Vegas Brews* provides an unprecedented look into the ways that brewers, distributors, bartenders, and drinkers fight against the perceived and preconceived norm about what happens in Vegas and lay claim to a part of their city that is too often overshadowed by the bright lights of tourist sites. Borer shows how our interactions with the things we care about and the ways that we care about how they're made, treated, and consumed can lead to new senses of belonging and connections with and to others and the places where we live. In a world where people and things move around at an extraordinary pace, the folks Borer spent time talking and drinking with remind us to slow down and learn how to taste the good life, or at least a semblance of it, even in a city where style is often valued over substance.

The Informal American City Vinit Mukhija, Anastasia Loukaitou-Sideris, 2014-05-16 An examination of informal urban activities including street vending, garage sales, and unpermitted housing that explores their complexity and addresses related planning and regulatory issues. Every day in American cities, street vendors spread out their wares on sidewalks, food trucks serve lunch from the curb, and homeowners hold sales in their front yards, examples of the wide range of informal activities that take place largely beyond the reach of government regulation. This book examines the informal revolution in American urban life, exploring a proliferating phenomenon often associated with developing countries rather than industrialized ones and often dismissed by planners and policy makers as marginal or even criminal. The case studies and analysis in *The Informal City* challenge this narrow conception of informal urbanism. The chapters look at informal urbanism across the country, empirically and theoretically, in cities that include Los Angeles, Sacramento, Seattle, Portland,

Phoenix Kansas City Atlantic City and New York City They cover activities that range from unpermitted in law apartments and ad hoc support for homeless citizens to urban agriculture street vending and day labor The contributors consider the nature and underlying logic of these activities argue for a spatial understanding of informality and its varied settings and discuss regulatory planning and community responses Contributors Jacob Avery Ginny Browne Matt Covert Margaret Crawford Will Dominie Renia Ehrenfeucht Jeffrey Hou Nabil Kamel Gregg Kettles Anastasia Loukaitou Sideris Kate Mayerson Alfonso Morales Vinit Mukhija Michael Rios Donald Shoup Abel Valenzuela Jr Mark Vallianatos Peter M Ward *Invisible Victims* Laura Huey, 2012-05-11 Despite Western society's preoccupation with safety and protection its most vulnerable members still lack access to the level of security that many of us take for granted In this trailblazing study Laura Huey illustrates the issue of a security gap faced by increasing homeless populations while they are among the most likely victims of crime they are also among the least served by existing forms of state and private security *Invisible Victims* presents the first comprehensive integrated study of the risks faced by homeless people and their attempts to find safety and security in often dangerous environments Huey draws not only on current debates on security within criminology but also on a decade's worth of her own field research on the victimization and policing of the homeless A theoretically and empirically informed examination of the myriad issues affecting the homeless *Invisible Victims* makes a compelling case for society to provide necessary services and above all a basic level of security for this population Professional Lives, Personal Struggles Martha Trenna Valado, Randall Amster, 2012-07-06 This edited volume illuminates critical research issues through the particular lens of homelessness bringing together some of the leading scholars in the field from an array of disciplines and perspectives to explore this condition of marginalization and the ethical dilemmas that arise within it The authors provide insights into the realities and challenges of social research that will guide students activists practitioners policymakers and service providers as well as both novice and seasoned researchers in fields of inquiry ranging from anthropology and sociology to geography and cultural studies Although many texts have explored the subject of homelessness few have attempted to encapsulate and examine the complex process of researching the issue as a phenomenon unto itself *Professional Lives Personal Struggles* examines the many challenges of conducting ethical research on homelessness as well as the potential for positive change and transformation through the deeply personal accounts of scholars and advocates with extensive experience working in the field **Of Tourists and Vagabonds in the Global South** Maximiliano E. Korstanje, 2024-10-04 Offering a lucid diagnosis of the conflictive encounter between people experiencing homelessness and foreign tourists in Buenos Aires City chapters examine divergent topics such as poverty tourism safety security in tourism tourism consumption heritage tourism and anthropology of tourism *Homelessness in America* Michele Wakin, 2022-02-18 This title provides a one stop resource for understanding the crisis of homelessness in the United States It covers risk factors for homelessness societal attitudes about the homeless and public and private resources designed to prevent homelessness

and help those in need There are a number of questions to be answered when addressing the subject of homelessness in the United States What are the primary causes of homelessness What are the economic and socioeconomic factors that have an impact on homeless people What demographic trends can be identified in homeless populations Is the U S addressing the needs and concerns of homeless people adequately Where are the areas with the highest homeless populations What can be done to help homeless people who live with mental illness and or addiction problems Homelessness in America A Reference Handbook answers all of these questions and more It thoroughly examines the history of homelessness in the U S shining a light on the key issues events policies and attitudes that contribute to homelessness and shape the experience of being homeless It places special emphasis on exploring the myriad problems that force people into homelessness such as inadequate levels of affordable housing struggles with substance abuse and gaps in the U S social welfare system In addition it explains why some demographic groups are at heightened risk of homelessness

America's New Working Class

Kathleen R. Arnold, 2008 Today's political controversy over immigration highlights the plight of the working class in this country as perhaps no other issue has recently done The political status of immigrants exposes the power dynamics of the new working class which includes the former labor aristocracy women and people of color This new working class suffers exploitation in advanced industrial countries as the social cost of capitalism's success in a neoliberal and globalized political economy In this book Kathleen Arnold analyzes the role of the state's prerogative power in creating and sustaining this condition of severe inequality for the most marginalized sectors of our population in the United States

Companion to Urban and Regional Studies Anthony M. Orum, Javier Ruiz-Tagle, Serena Vicari Haddock, 2021-07-05 COMPANION TO URBAN AND REGIONAL STUDIES Indispensable overview and timely coverage of the major issues debates and research topics in urban and regional studies Companion to Urban and Regional Studies offers an up to date view of the rapidly growing field exploring a diversity of theoretical perspectives current and emerging research and critical global policy concerns Uniquely broad in geographical and thematic scope this comprehensive volume brings together essays by more than fifty international scholars and researchers to provide expert assessments spanning the many dimensions of urban studies Organized into five parts the Companion begins with a review of the current state of cities across East Asia Sub Saharan Africa North America Europe and Latin America and all other world regions Subsequent sections discuss contemporary theoretical perspectives describe common methodological approaches used by urban scholars and examine the political social and economic problems facing twenty first century cities Covering historical issues current challenges and comparative perspectives in urban studies this timely resource Addresses intensely debated policy issues such as governance housing immigration and migration segregation social mix and gentrification Describes the use of demographic methods advanced spatial analysis social networks policy mobilities and ethnographies in urban studies research Discusses critical urban theory feminist urban research urbanization and environmental change and the legacy of the Chicago School Covers contemporary research topics

Hellegers,2016-04-30 This oral history collection brings together extended interviews with fifteen women illuminating the part that gender roles play in ensnaring women in cycles of domestic abuse and homelessness and highlighting the physical stresses It also challenges liberal myths about homeless people and homeless women in particular *Hobos, Hustlers, and Backsliders* Teresa Gowan,2010 Gowan shows some of the diverse ways that men on the street in San Francisco struggle for survival autonomy and self respect Living for weeks at a time among homeless men working side by side with them as they collected cans bottles and scrap metal helping them set up camp watching and listening as they panhandled and hawked newspapers and accompanying them into soup kitchens jails welfare offices and shelters Gowan immersed herself in their routines their personal stories and their perspectives on life on the streets She observes a wide range of survival techniques from the illicit to the industrious from drug dealing to dumpster diving She also discovered that prevailing discussions about homelessness and its causes homelessness as pathology homelessness as moral failure and homelessness as systemic failure powerfully affect how homeless people see themselves and their ability to change their situation *Humanity & Society*

,2006 Law & Inequality ,2007 **Kidwatching in Josie's World** Neva Ann Medcalf,2008 Over twenty years of work and research with homeless children comes together in a scholarly work that puts a real face on the issue of homelessness especially for children Most people do not realize that children are among the thousands that are homeless and are the fastest growing segment of the homeless population The public tends to think about the bum on the corner with the cardboard sign or those sleeping under the bridges who accost them for a handout They do not realize that homelessness has an enormous and negative impact on growth development and learning for children This is an issue that affects schools communities and society at large Through qualitative observations in a one room classroom in a homeless shelter and in classrooms of an elementary school located in a subsidized housing project the development and use of language among homeless children classroom interactions between students and teachers and information regarding the effects of homelessness on children are closely examined This book re educates teachers educators and the general public in order to spur a new more accurate mindset about the reality and consequences of homelessness The work s larger purpose is to bring about compassionate implementation of the solutions necessary to eradicate this problem *Lost in Space* Randall Amster,2008 Amster explores the historical and contemporary implications of homelessness as a social and spatial problem drawing upon academic disciplines and policy concerns ranging from urban geography to legal advocacy Homeless people find themselves in a struggle to preserve places that are theoretically open to everyone regardless of status Urban spaces in

particular manifest a complex ecology comprised of people culture architecture technology and the natural environment expressed through gentrification redevelopment and privatization In this ecology homeless people are criminalized for performing basic activities such as sitting or sleeping These trends are evident across the U S and internationally linking local issues with wider forces of globalization *Choice* ,2006-03 *The British National Bibliography* Arthur James Wells,2006

The Word On The Street Homeless Men In Las Vegas Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Word On The Street Homeless Men In Las Vegas has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Word On The Street Homeless Men In Las Vegas has opened up a world of possibilities. Downloading The Word On The Street Homeless Men In Las Vegas provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Word On The Street Homeless Men In Las Vegas has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Word On The Street Homeless Men In Las Vegas. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Word On The Street Homeless Men In Las Vegas. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Word On The Street Homeless Men In Las Vegas, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Word On The Street Homeless Men In Las Vegas has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Word On The Street Homeless Men In Las Vegas Books

1. Where can I buy The Word On The Street Homeless Men In Las Vegas books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
