Out of a deep concern for our nation and its drift away from its Christian roots Glover Shipp presents powerful proofs that it was founded on faith in God He begins with the earliest colonial document the Mayflower Charter and traces the God theme throughout our history In doing so he draws on historical documents monuments songs poems and statements by well known figures in our society Unlike some other books of this kind In God We Trust or Do We presents inaugural speeches by many of our presidents private correspondence by leading figures in our nation the constitutions of our fifty states Supreme Court decisions that influence church state relations and references to God on our national monuments in our national hymns and in our poetry Above all Shipp points out the inconsistency between interpretations of The Establishment Clause and what really goes on in government You will find In God We Trust or Do We a valuable resource for considering and defending the spiritual principles upon which our nation was founded Footnote Washington Bryson B.
