Waiting For Snow In Havana Carlos Eire,2012-12-11 A childhood in a privileged household in 1950s Havana was joyous and cruel like any other but with certain differences The neighbour s monkey was liable to escape and run across your roof Surfing was conducted by driving cars across the breakwater Lizards and firecrackers made frequent contact Carlos Eire s childhood was a little different from most His father was convinced he had been Louis XVI in a past life At school classmates with fathers in the Batista government were attended by chauffeurs and bodyguards At a home crammed with artifacts and paintings portraits of Jesus spoke to him in dreams and nightmares Then in January 1959 the world changes Batista is suddenly gone a cigar smoking guerrilla has taken his place and Christmas is cancelled The echo of firing squads is everywhere And one by one the author s schoolmates begin to disappear spirited away to the United States Carlos will end up there himself without his parents never to see his father again Narrated with the urgency of a confession WAITING FOR SNOW IN HAVANA is both an ode to a paradise lost and an exorcism More than that it captures the terrible beauty of those times in our lives when we are certain we have died and then are somehow miraculously reborn **Jargonaut Express:**
