Ward, Ken Burns, 2011-08-17 Ernest Hemingway called Huckleberry Finn the best book we've ever had There was nothing before There's been nothing as good since Critical opinion of this book hasn't dimmed since Hemingway uttered these words as author Russell Banks says in these pages Twain makes possible an American literature which would otherwise not have been possible He was the most famous American of his day and remains in ours the most universally revered American writer Here the master storytellers Geoffrey Ward Ken Burns and Dayton Duncan give us the first fully illustrated biography of Mark Twain American literature's touchstone its funniest and most inventive figure This book pulls together material from a variety of published and unpublished sources It examines not merely his justly famous novels stories travelogues and lectures but also his diaries letters and 275 illustrations and photographs from throughout his life The authors take us from Samuel Langhorne Clemens's boyhood in Hannibal Missouri

to his time as a riverboat worker when he adopted the sobriquet Mark Twain to his varied careers as a newspaperman printer and author They follow him from the home he built in Hartford Connecticut to his peripatetic travels across Europe the Middle East and the United States We see Twain grieve over his favorite daughter s death and we see him writing and noticing everything Twain believed that The secret source of humor itself is not joy but sorrow There is no humor in heaven This paradox fueled his hilarity and lay at the core of this irreverent yet profoundly serious author With essays by Russell Banks Jocelyn Chadwick Ron Powers and John Boyer as well as an interview with actor and frequent Twain portrayer Hal Holbrook this book provides a full and rich portrayal of the first figure of American letters From the Hardcover edition
