## **The Wisdom Of Whores:**

*The Wisdom of Whores: Bureaucrats, Brothels and the Business of AIDS* Elizabeth Pisani, 2008-06-17 A flame throwing epidemiologist talks about sex drugs and the mistakes dismal ideologies vicious and hopes realistic of international AIDS prevention When people ask Elizabeth Pisani what she does for a living she says sex and drugs As an epidemiologist researching AIDS she s been involved with international efforts to halt the disease for fourteen years With swashbuckling wit and fierce honesty she dishes on herself and her colleagues as they try to prod reluctant governments to fund HIV prevention for the people who need it most drug injectors gay men sex workers and johns Pisani chats with flamboyant Indonesian transsexuals about their boob jobs and watches Chinese streetwalkers turn away clients because their SUVs aren t nice enough With verve and clarity she shows the general reader how her profession really works how easy it is to draw wrong conclusions from objective data and shockingly how much money is spent so very badly Exhibit A the 45 billion taxpayer dollars the Bush administration is committing to international AIDS programs

*The Sex Effect* Ross Benes, 2017-04-04 A gripping exploration of the relationship between sex and our society with a foreword by bestselling author A J Jacobs Why do political leaders become entangled in so many sex scandals How did the U S military inadvertently help make San Francisco a mecca of gay culture And what was the original purpose of vibrators Find out the answers to all these questions and more as journalist Ross Benes delves into the complicated relationship between everyday human life including religion politics and technology and our sexuality Drawing on history psychology sociology and more The Sex Effect combines innovative research and analysis with captivating anecdotes to reveal just how much sex shapes our society and what it means for us as humans as we continue to struggle with the wide ranging effects our sexuality has on the world around us

**Chasing the Scream** Johann Hari, 2015-01-20 January 2015 will mark a century of the war on drugs in the United States one hundred years since the first arrests under the Harrison Act Facing down this anniversary Johann Hari was witnessing a close relative and an ex boyfriend bottoming out on cocaine and heroin But what was the big picture in the war on drugs Why does it continue when most people now think it has failed The reporter set out on a two year 20 000 mile journey through the theater of this war to find out how it began how it has affected people around the world and how we can move beyond it Chasing the Scream is fueled by dramatic personal stories of the people he meets along the way A transsexual crack dealer in Brooklyn who wanted to know who killed her mother and a mother in Mexico who spent years tracking her daughter s murderer across the desert A child smuggled out of the Jewish ghetto during the Holocaust who helped unlock the scientific secrets of addiction A doctor who pushed the decriminalization in Portugal of all drugs from cannabis to crack The title itself comes from a formative story of Harry Anslinger first commissioner of the Federal Bureau of Narcotics sent as a boy to the pharmacy for a neighbor screaming in withdrawal an experience which led him to fear drugs without regard to context Always we come back to the front lines in the U S where we instigated the war and exported it around the globe but where change is also coming

Powerful propulsive and persuasive *Chasing the Scream* is the page turning story of a century long mistake which shows us the way to a more humane future      **Mapping AIDS** Lukas Engelmänn,2018-11-08 Offers an innovative study of visual traditions in modern medical history through debates about the causes impact and spread of AIDS      *Plan for the Planet* Ian Chambers,2017-03-02 The world struggles with increasing threats to global sustainability caused by population growth overuse of fresh water resources depletion of biodiversity and reliance on non renewable energy sources There is an urgent need for an overall plan to address these challenges in a coordinated and effective manner Whether in government business community or as an individual we need to begin acting a lot smarter faster and more collaboratively if we are going to avert the potential devastating impacts on this planet *Plan for the Planet* outlines a co ordinated approach to tackling the global challenges we face which can be implemented at every level Using proven business management wisdom and principles this book provides perhaps the most comprehensive and robust framework within which business government and the community can work together to build a sustainable world Whether you want to understand how to prepare your organisation and yourself to deal successfully with the global challenges or seize the opportunities which are fast developing with the emergence of the sustainability revolution you will benefit from reading this timely book      *Urban Ministry Reconsidered* R. Drew Smith,Stephanie Boddie,Ronald E. Peters,2018-08-14 Christian ministries often struggle to account for urbanization s growing force complexities and reach and to formulate theologically and sociologically appropriate responses *Urban Ministry Reconsidered* features a collection of original essays by leading scholars and practitioners that explores current issues and challenges in urban communities Together these articles consider how cultural and structural frameworks have led to new conceptualizations and configurations of urban ministry In addition they examine the degree to which the social spiritual and organizational priorities of urban ministries have been reconceived in response to these shifts      **Developing a Plan for the Planet** Ian Chambers,John Humble,2017-03-02 The world struggles with increasing threats to global sustainability caused by population growth overuse of fresh water resources depletion of biodiversity and reliance on non renewable energy sources There is an urgent need for an overall plan to address these challenges in a coordinated and effective manner Whether in government business community or as an individual we need to begin acting a lot smarter faster and more collaboratively if we are going to avert the potential devastating impacts on this planet *Plan for the Planet* outlines a co ordinated approach to tackling the global challenges we face which can be implemented at every level Using proven business management wisdom and principles this book provides perhaps the most comprehensive and robust framework within which business government and the community can work together to build a sustainable world Whether you want to understand how to prepare your organisation and yourself to deal successfully with the global challenges or seize the opportunities which are fast developing with the emergence of the sustainability revolution you will benefit from reading this timely book      **Politics in the Corridor of Dying** Jennifer Chan,2015-03-01 A comprehensive study of global AIDS activism over the

past twenty five years Few diseases have provoked as many wild moralistic leaps or stringent attempts to measure classify and define risk and treatment standards as AIDS In *Politics in the Corridor of Dying* Jennifer Chan documents the emergence of a diverse range of community based nongovernmental and civil society groups engaged in patient focused AIDS advocacy worldwide She also critically evaluates the evolving role of these groups in challenging authoritative global health governance schemes put in place by what she describes as overcontrolling or sanctimonious governments scientists religious figures journalists educators and corporations Drawing on more than 100 interviews conducted across eighteen countries the book covers a broad spectrum of contemporary sociopolitical issues in AIDS activism including the criminalization of HIV transmission the fight against big pharma and the politics of the President s Emergency Plan for AIDS Relief Chan argues that AIDS activism disrupts four contemporary regimes of power scientific monopoly market fundamentalism governance statism and community control by elevating alternative knowledge production and human rights This multidisciplinary book is aimed at students and scholars of public health sociology and political science as well as health practitioners and activists *Politics in the Corridor of Dying* makes specific policy recommendations for the future while revealing how AIDS activism around the world has achieved much more than increased funding better treatment and more open clinical trial access by forcing controlling entities to democratize activists have changed the balance of power for the better and helped advance permanent social change

**High John the Conqueror** Tariq Goddard,2022-11-08 When children start going missing in a rural town the investigation takes twists and turns into the strange world of privilege and the realm of the occult I always wanted to be a writer but I became a policeman instead WESSEX 2016 Teenagers are vanishing off the council estates of a small provincial city A crop of herbs that are said to posses magical powers which only grow once every fifty years are found in the woods A supernatural creature believed to be the guardian of the herbs is seen in nightmares Rumours of orgiastic rituals on the estates of the rich and powerful excite the curious And the Queen of England decides to celebrate her 90th birthday with a visit to the city s famous cathedral spire Into this madness two ambitious detectives one with doomed literary ambitions seek to solve the mystery their only lead that posh people are taking our children Blending mysticism class war societal malfeasance and transcendence *High John The Conqueror* identifies the point in our recent history when the ghosts of our past become the political monsters of the present

**Whores and Other Feminists** Jill Nagle,2013-09-13 *Whores and Other Feminists* fleshes out feminist politics from the perspective of sex workers strippers prostitutes porn writers producers and performers dominatrices and their allies Comprising a range of voices from both within and outside the academy this collection draws from traditional feminisms postmodern feminism queer theory and sex radicalism It stretches the boundaries of contemporary feminism holding accountable both traditional feminism for stigmatizing sex workers and also the sex industry for its sexist practices
