Ford Madox Ford's Literary Contacts Paul Skinner, 2007 The controversial British writer Ford Madox Ford 1873 1939 is increasingly recognized as a major presence in early twentieth century literature This series of International Ford Madox Ford Studies was founded to reflect the recent resurgence of interest in him Each volume is based upon a particular theme or issue and relates aspects of Ford s work life and contacts to broader concerns of his time The present book is part of a large scale reassessment of his roles in literary history Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade s End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman But he was a prolific writer in many different modes which include criticism of others writing and reminiscences of the many writers he had known One of the most striking features of his career is his close involvement with so many of the major international literary groupings of his time In the South East of England at the fin de si cle he collaborated for a decade with Joseph Conrad and befriended Henry James and H G Wells In Edwardian London he founded the *English Review* publishing these writers alongside his new discoveries Ezra Pound D H Lawrence and Wyndham Lewis After the war he moved to France founding the transatlantic review in Paris taking on Hemingway as a sub editor discovering another generation of Modernists such as Jean Rhys and Basil Bunting and publishing them alongside Joyce and Gertrude Stein He spent more time in America from the later 1920s spending time with Southern Agrarians and poets such as William Carlos Williams Charles Olson and Robert Lowell He was always a tireless promoter of younger writers reading manuscripts and recommending them to publishers This book takes Ford s literary contacts to include such creative friendships editorial involvements and influential biographical encounters and they form the most substantial central section on Contemporaries and Confreres covering figures like Proust Carlos Williams Rebecca West Herbert Read and Hemingway But it also explores contacts with literary texts The first section on Predecessors considers the impact of Ford s reading of Trollope George Eliot and Turgenev The final section discusses Successors writers such as Graham Greene Burgess and A S Byatt whose literary contacts with Ford have been as his admiring readers and eloquent critics Ford has been described as a writer s writer This volume reveals how true that has been and in how many ways as it sheds new light on his relationships with other writers both familiar and surprising It includes two pieces published here for the first time one by Ford himself on Turgenev the other a memoir about Ford by his contemporary Marie Belloc Lowndes the sister of Hilaire Belloc

[The Wooden Shepherdess](#) Richard Hughes, 2012-08-29

The Wooden Shepherdess is the sequel to *The Fox in the Attic* and the second volume of Richard Hughes s monumental historical fiction *The Human Predicament* It opens with Hughes s hero Augustine in prohibition era America where he is a bemused onlooker and an increasingly fascinated participant in a country intoxicated with sex violence and booze In brilliant cinematic style the book then moves to Germany where the Nazi Party is gradually gaining in power to the slums mining

towns parliamentary back rooms and great houses of a Britain teetering on the verge of class war and to the wilds of the Atlas Mountains of Morocco The novel ends with a terrifying account of the Night of the Long Knives as Hitler ruthlessly secures his hold upon Germany This new edition of the *The Wooden Shepherdess* concludes with the twelve chapters that Hughes completed of the planned third volume of *The Human Predicament* here published for the first time in America In Hazard Richard Hughes, 2012-08-29 The *Archimedes* is a modern merchant steamship in tip top condition and in the summer of 1929 it has been picking up goods along the eastern seaboard of the United States before making a run to China A little overloaded perhaps the oddly assorted cargo includes piles of old newspapers and heaps of tobacco the ship departs for the Panama Canal from Norfolk Virginia on a beautiful autumn day Before long the weather turns unexpectedly rough rougher in fact than even the most experienced members of the crew have ever encountered The *Archimedes* it turns out has been swept up in the vortex of an immense hurricane and for the next four days it will be battered and mauled by wind and waves as it is driven wildly off course Caught in an unrelenting struggle for survival both the crew and the ship will be tested as never before Based on detailed research into an actual event Richard Hughes's tale of high suspense on the high seas is an extraordinary story of men under pressure and the unexpected ways they prove their mettle or crack Yet the originality art and greatness of *In Hazard* stem from something else Hughes's eerie fascination with the hurricane itself the inhuman force around which this wrenching tale of humanity at its limits revolves Hughes channels the furies of sea and sky into a piece of writing that is both apocalyptic and analytic *In Hazard* is an unforgettable defining work of modern adventure Bowker's Guide to Characters in Fiction 2007 , 2008-02 The New York Times Theater Reviews, 1870-1919 , 1975 A High Wind in Jamaica Richard Hughes, 2010-06-23 Richard Hughes's celebrated short novel is a masterpiece of concentrated narrative Its dreamlike action begins among the decayed plantation houses and overwhelming natural abundance of late nineteenth century Jamaica before moving out onto the high seas as Hughes tells the story of a group of children thrown upon the mercy of a crew of down at the heel pirates A tale of seduction and betrayal of accommodation and manipulation of weird humor and unforeseen violence this classic of twentieth century literature is above all an extraordinary reckoning with the secret reasons and otherworldly realities of childhood Saturday Review of Literature , 1927 *The New York Times Book Review* , 1974 **The Renaissance Literature Handbook** Susan Bruce, Rebecca Steinberger, 2009-01-01 Literature and Culture Handbooks are an innovative series of guides to major periods topics and authors in British and American literature and culture Designed to provide a comprehensive one stop resource for literature students each handbook provides the essential information and guidance needed from the beginning of a course through to developing more advanced knowledge and skills Written in clear language by leading academics they provide an indispensable introduction to key topics including Introduction to authors texts historical and cultural contexts Guides to key critics concepts and topics An overview of major critical approaches changes in the canon and directions of current and future research Case studies in reading literary and

Normal Instructor and Teachers World ,1912 The Fox in the Attic Richard Hughes,2001-02-28 A tale of enormous suspense and growing horror The Fox in the Attic is the widely acclaimed first part of Richard Hughes s monumental historical fiction The Human Predicament Set in the early 1920s the book centers on Augustine a young man from an aristocratic Welsh family who has come of age in the aftermath of World War I Unjustly suspected of having had a hand in the murder of a young girl Augustine takes refuge in the remote castle of Bavarian relatives There his hopeless love for his devout cousin Mitzi blinds him to the hate that will lead to the rise of German fascism The book reaches a climax with a brilliant description of the Munich putsch and a disturbingly intimate portrait of Adolph Hitler The Fox in the Attic like its no less remarkable sequel The Wooden Shepherdess offers a richly detailed Tolstoyan overview of the modern world in upheaval At once a novel of ideas and an exploration of the dark spaces of the heart it is a book in which the past returns in all its original uncertainty and strangeness
