VOLVO

Foreword

The descriptions and service procedures contained in this manual are based on designs and material details current as of 1st June 92.

The products are under continuous development. Features and components produced after the above date may therefore have different specifications and repair methods. When this is subject to have a significant bearing on this manual, supplementary service bulletins will be issued to cover the changes.

The new edition of this manual will update the changes.

In service procedures where the title encompasses an operation number, this is a reference to VTS 1 (Volvo Standard Times).

Service procedures which do not include an operation number in the title are for general information and no reference is made to VTS.

The following levels of observation, cautions and warnings are used in this Service Documentation:

Note: Indicates a procedure, practice, or condition that must be followed in order to have the vehicle in complete function at the routine intended.

Caution: Indicates an unsafe practice where damage to the product could occur.

Warning: Indicates an unsafe practice where personal injury, or severe damage to the product could occur.

Danger: Indicates an unsafe practice where serious personal injury or death could occur.
