Vrouwen In Het Socialisme:

De vrouw en het socialisme Auguste Bebel,1891 **De vrouw en het socialisme** August Bebel,1896 Women and Socialism - Socialism and Women Helmut Gruber,Pamela Graves,contributors,1999-03-01 Until recently histories of women tended to be segregated from the larger historical context This pioneering volume places the role of women within the history of the interwar years when both the women's and socialist movements became prominent and raises the key question of how power was distributed between the genders in a historical setting The emblematic title of this volume highlights the fundamental conception of this comparative study of eleven West European countries that in the interwar decades two great movements gained in strength converged diverged competed and cooperated Each of these movements is viewed as a complex matrix of organized and unorganized participants However by far the most provocative questions deal with gender relations Central to these are definitions of femininity and masculinity in terms of mechanisms of inclusion and exclusion at the workplace in the home and in the political arena The mystique of the new woman in the 1920s and the 1930s challenged traditional notions of gender identity and relations not the least of which was the redefinition of the role of men The main issue addressed in this volume is not how male socialists dealt with the woman question or how women functioned in or outside left wing parties it rather centers on illustrating the power distribution between the sexes in specific political and cultural contexts This rigorously focused and coherent volume to which some of the best known scholars in the field have contributed will no doubt establish itself as the standard reference work for years to come **Woorden van vrouwen** Pieter Jelles Troelstra,1898 **Kuisheid voor mannen, vrijheid voor vrouwen** Petra de Vries,1997 De Socialistische gids,1918 **De vrouwenkwestie** Lily Braun,1904 **Vrouwen in het socialisme** Maxine Molyneux,1981 **Wat is het socialisme?** Johan Adam Wormser (jr.),1884 *The Development of Women's Studies* Margo Brouns,1990 Oorspr titel Veertien jaar vrouwenstudies in Nederland een overzicht **De maatschappelijke ontwikkeling en de bevrijding der vrouw** Henriette Roland Holst-Van der Schalk,1914 **De emancipatie van de vrouw** Agénor Étienne comte de Gasparin,1874 Oorspronkelijke titel *Les réclamations des femmes* **Gender and Activism** Mieke Aerts,2015 This Yearbook attends to various ways in which women were active and organized themselves in order to question sex and gender related issues in the political arena Covering a diverse range of cultures and political situations the Yearbook discusses how women protested against perceived religious suppression actively participated in local democratic political institutions whilst not really changing gender roles or discussed experienced discrepancies between socialism and feminism How do women find their ways in democratic systems of governance What do these systems offer them in terms of emancipation and involvement in political decision making affecting their lives **De Nieuwe tijd**,1904 **Gedenkboek ter gelegenheid van het vijf en twintig-jarig bestaan van de Sociaal-democratische arbeiderspartij in Nederland, opgericht 26 Augustus 1894** Sociaal-democratische Arbeiders-Partij,1919 *Het Katheder-Socialisme* Johan d' Aulnis de Bourouill,1878 Tijdschrift
